

# ARP ESSER Health and Safety Plan

---

Health and Safety Plan Summary: **Burgettstown Area School District**

Initial Effective Date: **July 1, 2021**

Date of Last Review: **June 14, 2021**

Date of Last Revision: **June 14, 2021**

- 1. How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?**

*The LEA will monitor the latest recommendations from PDE, PADOH, and CDC and update the Health and Safety Plan as needed. The initial Plan and all subsequent, revised Plans will be presented to the governing Board. Facilities and practices will be adapted to the extent possible to ensure that appropriate prevention and mitigation processes are followed.*

- 2. How will the LEA ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services?**

*Educational models will be adapted to meet the needs of the students as appropriate. Academics will be addressed through plans for in-person, hybrid, and virtual instruction, to be utilized as needed. Social, emotional, mental health and other needs will be monitored, and provided for by in-house and contracted health care providers, social workers and other mental behavior specialists as needed. Food service will be provided using various models as appropriate to the situation, including the availability of free meals for all school-aged students within the school district, throughout the entire year.*

- 3. Use the table below to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.**

ARP ESSER Requirement	Strategies, Policies, and Procedures
<p>A. <b>Universal and correct wearing of <u>masks</u>;</b></p>	<ul style="list-style-type: none"> <li>• ARP ESSER requires school districts and charter schools to develop mitigation plans in line with the most recent CDC guidance with plans being updated every six months as needed. At the current time fully vaccinated students and staff are not required to wear a mask.</li> <li>• As mask-wearing mandates change, the requirement to wear masks on school district property and at school district events may be altered</li> <li>• Training on proper mask use will be available to students and staff</li> <li>• Reminder of mask use as well as proper masking will be in many forms, including verbal, via signage, and on electronic media.</li> </ul>
<p>B. <b>Modifying facilities to allow for <u>physical distancing</u> (e.g., use of cohorts/podding);</b></p>	<ul style="list-style-type: none"> <li>• Distancing will follow CDC and DOH recommendations</li> <li>• The maximum, socially distanced capacity for each room will be established</li> <li>• Direction of the desks may be modified to maximize proximity</li> <li>• Students seating limited to one side of tables/desks.</li> <li>• Balance class numbers and adjust roster sizes to the greatest extend possible</li> <li>• Temporarily remove unused desks and furniture in classrooms if/as needed</li> <li>• Encourage staff to maintain distancing from other adults to the maximum extent feasible</li> <li>• Staff should maintain appropriate distancing from students, whenever possible and when not disruptive or detrimental to the educational process</li> <li>• Limit physical interaction when engaged in partner or group work.</li> <li>• Establish appropriate distance between the teacher desk/board and student desks.</li> <li>• Identify large spaces (i.e. gymnasiums, large group instruction areas, outdoor facilities (weather permitting) to be</li> </ul>

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<p>utilized for social distancing when necessary.</p>
<p>C. <u>Handwashing and respiratory etiquette</u>;</p>	<ul style="list-style-type: none"> <li>• Teach and reinforce good hygiene measures such as handwashing, covering coughs/sneezes, and face coverings</li> <li>• Provide hand soap, hand sanitizer with an appropriate alcohol content, cleaning wipes/disinfectant spray, tissues, and paper towels for use in classrooms and frequently trafficked areas.</li> <li>• Post signage throughout District facilities to communicate the prevention/spread of symptoms</li> <li>• Practice preventative measures (including staying home when sick), good hygiene, proper respiratory etiquette and school/district specific protocols.</li> <li>• Promote the use of the nearest waste receptacle to dispose of tissues and other potentially contaminated items after use</li> <li>• Ensure regular disposal of waste receptacle contents</li> <li>• Perform hand hygiene after having contact with respiratory secretions and contaminated objects or materials.</li> </ul>
<p>D. <u>Cleaning and maintaining healthy facilities, including improving ventilation</u>;</p>	<ul style="list-style-type: none"> <li>• Schedule cleaning to maximize sanitary conditions and decrease the amount of virus that may be on surfaces and objects, thereby reducing risks of exposure.</li> <li>• Apply sanitizing product to frequently touched surfaces and objects including door handles, sink handles, drinking fountains, etc</li> <li>• Disinfect school facilities and transportation vehicles using approved disinfectants to reduce the risk of contraction and/or spread.</li> <li>• Use routine cleaning practices for indoor areas that have not been used for 7 or more days, including outdoor equipment.</li> <li>• Follow standard protocols to clean surfaces that are not high touch.</li> <li>• Ensure ventilation systems operate properly and increase circulation of outdoor air as much as possible (by</li> </ul>

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<p>opening windows and doors, etc)</p> <ul style="list-style-type: none"> <li>• Avoid the use of windows and doors as a mechanism for increased ventilation if doing so poses a safety or health risk (e.g., risk of falling, triggering asthma symptoms) to children using the facility.</li> </ul>
<p>E. <u>Contact tracing</u> in combination with <u>isolation</u> and <u>quarantine</u>, in collaboration with the State and local health departments;</p>	<ul style="list-style-type: none"> <li>• Collaboration between school administrators and school nurses to identify an isolation room or area to separate anyone who exhibits COVID-like symptoms.</li> <li>• School nurses and other healthcare providers should use Standard and Transmission-Based Precautions when caring for sick people.</li> <li>• Follow establish procedures for safely transporting anyone who is sick home or to a healthcare facility.</li> <li>• Contact and coordinate with the local health authority when acting in response to a known or suspected communicable disease.</li> <li>• Contact the local health authority for further guidance if parent/guardian or caregiver notifies the school of potential exposure by a student, staff member, or school visitor.</li> <li>• Complete and submit the Self Report and Line List forms provided by PDE and PADOH Joint Task Force for contact tracing.</li> <li>• Distribute notifications to building staff and students with appropriate related information as needed.</li> <li>• Work closely with the community health center nurses to follow-up and complete contract tracing.</li> <li>• Ensure that the development of policies and procedures are based on CDC guidelines, where appropriate.</li> <li>• Ensure that staff and students meet all requirements before returning to school safely</li> </ul>

ARP ESSER Requirement	Strategies, Policies, and Procedures
<p>F. <u>Diagnostic</u> and screening testing;</p>	<ul style="list-style-type: none"> <li>• Monitor and act upon signs and symptoms of students and staff daily, upon arrival. Address privacy concerns associated monitoring practices confirmed exposure or cases by ensuring compliance with HIPPA/FERPA</li> <li>• Initiate a system of home/self-screening and related reporting procedures.</li> <li>• Encourage staff to use appropriate stay-at-home decision making when ill sick</li> <li>• Encourage parents to keep their child(ren) home when ill/sick</li> </ul>
<p>G. Efforts to provide <u>vaccinations to school communities</u>;</p>	<ul style="list-style-type: none"> <li>• Work with community health centers and hospitals to host on-site vaccination sessions</li> <li>• Provide brochures and other information as to when and where staff and students can receive vaccinations on site</li> <li>• Share vaccination related information with the school community via electronic communication and social media</li> </ul>
<p>H. Appropriate accommodations for students with disabilities with respect to health and safety policies; and</p>	<ul style="list-style-type: none"> <li>• Ensure that all procedures and practices related to face coverings and all other parts of the health and safety plans accommodate the needs of students with disabilities.</li> <li>• Comply with federal and state laws for students with disabilities with respect to health and safety policies and procedures</li> </ul>
<p>I. Coordination with state and local health officials.</p>	<ul style="list-style-type: none"> <li>• LEA will work cooperatively with Joint Task Forces, the PADOH, the CDC, PDE, community health agencies and County Emergency Management Agencies to coordinate resources and implement processes and procedures in accordance with the health and safety plan.</li> <li>• Utilize a chain-of-command and a chain-of-custody approach to all elements of the health and safety plan that includes the related agencies and officials</li> </ul>

## Health and Safety Plan Governing Body Affirmation Statement

The Board of Directors/Trustees for **The Burgettstown Area School District** reviewed and approved the Health and Safety Plan on **June 14, 2021**.

The plan was approved by a vote of:

8 Yes

0 No

Affirmed on: **June 14, 2021**
