Dear Parents/Guardians,

One elementary center employee tested positive for Covid-19.

- The individual is quarantining
- Contact tracing was conducted
- We will always make Covid-19 related decisions from a safety/healthy-first standpoint

As the school year rapidly comes to a close, it is easy to let our guard down. Our goal remains to keep everyone safe and healthy, and to maintain in-person instruction without interruption.

As always, please feel free to contact your child's principal if you have any questions or concerns. Also, please feel free to contact me directly if you wish. I am always happy to speak with you regarding any concerns you may have.
