Machine Shop, Welding, and Automation & Robotics Engineering students had an opportunity to see manufacturing equipment and processes they have not yet experienced during their tour of the Kurt J. Lesker Company in Jefferson Hills.

Accompanied by Skills advisor Allison Scaife and masonry instructor Brett Shriver, 31 Western Area CTC SkillsUSA members spent three days at the *Western Region Leadership Conference* at Seven Springs Mountain Resort. Students participated in a series of workshops on professional development, finance, team building, planning their futures after high school, and were also given the opportunity to network and make friends from other participating CTCs. (It was mentioned that they also had a little bit of fun!) Participating students are listed below.
