**Mr. Stephen P. Puskar**  
**Superintendent**

July 5, 2023

Greetings.

We hope this letter finds everyone well, and enjoying the summer months. Now that the Independence Day holiday is in the rearview mirror, we are certain that many have their eyes set on the upcoming school year. Perhaps this is most true for our students who participate in extracurricular sports and related activities in the fall.

The purpose of this note is to provide an update on the athletic administration. Many may know that our Athletic Director, Mr. Krzeczowski, left the District for a similar position in another school district. We certainly wish him well, as he began his new duties on July 1. The Burgettstown Area School District is in the process of identifying a candidate to fill the vacancy created by Mr. Krzeczowski's departure, and expects to do so in the coming weeks. Until that time, and through the transition, we know that many may have sports or related activity questions and/or concerns. If this is the case, we ask that you contact the coach or related activity sponsor first. In the event that the coach or sponsor does not have the requested information, or if the coach or sponsor for your sport/related-activity has not yet been hired, please reach out to Mr. Fadden at the middle/high school. The most efficient way to contact him over the summer months is via e-mail at [bfadden@burgettstown.k12.pa.us](mailto:bfadden@burgettstown.k12.pa.us). He may also be reached by calling the middle/high school directly.

Please know that we are doing our best to identify a new Athletic Director in a timely manner, and are working hard to ensure all coaches and related activity sponsors are identified, and that all aspects relating to the launch of the fall programs are set. By way of reminder, the first day of fall sports practice is August 14, though heat acclimation for football, and golf practice, may be earlier.
