BASF/John G. Stanish Award - Male

Purpose and Scope	The John Gary Stanish Memorial Award was established by the BASF and the Stanish family to honor an athlete whose untimely death prevented his participation in high school athletics. The award will be presented each year to a senior male basketball player.
Award	Annually, a scholarship of at least $500.00 shall be awarded to the student selected. A check will be presented designating the student and the college of his choice.
Method of Selection	The selection of the recipient will be made at the end of seven semesters. Selection will be made by the BASF Committee and a member of the Stanish family from the applications submitted.
Requirements for Selection	The recipient of the award shall be a senior basketball player who has lettered in basketball at least one season prior to his senior year, is a member of the team during his senior year and who will further his education at a college or technical school. The recipient must have a minimum 2.5 grade point average at the end of seven semesters. The following criteria will be considered by the committee: basketball ability, leadership, citizenship and scholarship.
Presentation of Award	The award shall be presented at the annual Senior Awards Assembly. The presentation will be made by a member of the Stanish family or a BASF Committee member.
Agreement	The award will be presented for a period of not less than 10 years. A plaque will be placed in the high school honoring the recipients of the John G. Stanish Memorial Award. The plaque will be donated by the school district and the district will be responsible for the annual engraving of the recipient's name on the permanent plaque.

BASF/John G. Stanish Award - Male

The John G. Stanish Memorial Award will be presented annually to a senior male basketball player. To be eligible, you must have lettered in basketball one season prior to your senior year, be a member of the team during your senior year and have a cumulative GPA of 2.5 or higher after seven semesters.
