BASF Leadership Award

Name: _____

The Burgettstown Area Scholarship Foundation has established a scholarship for a deserving senior who has demonstrated outstanding leadership throughout his/her educational career. To be eligible, the student must have served as a leader in either academic or non-academic activities. This does not necessarily mean you must hold a titled position within the activity. (e.g., President, vice-president, etc.) If you were elected or appointed as a leader, you must have successfully fulfilled the requirements of those leadership positions. The student must identify the sponsor of the activity for which he/she was a leader with the sponsor's signature verification. In addition, provide a descriptive summary of your leadership roles. Furthermore, the applicant must have maintained a cumulative grade point average of 2.8 or above after seven semesters.

To be considered, the student must complete this application and submit it to the Guidance Office by April 1st.

The BASF Scholarship Committee will review all applications submitted and award the scholarship at the annual Senior Awards Assembly. A scholarship of at least $500.00 will be presented designating the student and the college of his/her choice.

List all activities in which you have been involved during your high school career and in which you were either designated an activity leader or you were personally responsible for the accomplishment of tasks for which you were in charge. Please be sure to identify the group or organization that sponsored each activity and whether it was school or community-based. In addition, please identify whether the leadership position was appointed, elected, or was a volunteer leadership. Finally, identify the adult who was in charge of the activity for which you were a leader. If additional space is required, use the back of this form or add an additional sheet to your application.
