

# Burgettstown Area Scholarship Foundation

## What is BASF (Burgettstown Area Scholarship Foundation)?

---

### Mission Statement:

The Burgettstown Area Scholarship Foundation shall:

- Establish and maintain a fund to provide annual scholarships to graduating seniors of the Burgettstown Area School District who have, throughout their high school careers, participated in activities that promoted school pride, encouraged school spirit, and served as examples of character, sportsmanship and scholarship to underclass students,
- Strengthen and establish community and alumni participation in school programs, to enhance the educational opportunities for students, and to provide additional funds in order to assure educational excellence in the Burgettstown Area School District, and to
- Develop, promote and finance educationally-based programs, activities and projects for the Burgettstown Area School District

### History:

BASF was established in 2004. The Foundation recognizes outstanding seniors and awards small scholarships to help with their educational expenses. Alumni dinners are held in order to raise money for these scholarships. Dinners are held every three years, but donations can be sent at any time. As of January 2021, over \$200,000 has been raised and the Foundation provides at least \$10,000 in scholarships back to the senior class each year.

### How you can help:

To support these efforts, we hope you will attend the alumni dinner events and consider an additional contribution to BASF.

True Blue Devil	Blue Devil	White Level
Over \$1,500 contribution	\$1,000 - \$1,499 contribution	\$500 - \$999 contribution
Donor plaque, recognition in the dinner program, four dinner tickets, 12 x 12 brick on the Hill Stadium Walk of Fame	Recognition in the dinner program, two dinner tickets, 8 x 8 brick on the Hill Stadium Walk of Fame	Recognition in the dinner program, 4 x 8 brick on the Hill Stadium Walk of Fame
