

# BERGENFIELD SPECIAL EDUCATION PARENTS ADVISORY GROUP (SEPAG)

## What is SEPAG?

We are a state-mandated, district-level, parent-run group that can provide input to the school district on system-level challenges in special education and related services.

*We are not a parent support group, or a special education PTA.*

## Our Mission

To foster collaboration and communication between the school district and the special education community. We amplify student and parent voices, advocate for inclusion opportunities, and share resources to promote awareness, acceptance, and support of special needs children.

## Together We Can

- Improve educational outcomes and well-being for all students
- Identify unmet needs
- Provide input and feedback to improve district programs and services
- Foster a culture for the acceptance of individual differences
