School district or school bus contractor personnel who discover, or to whom it is reported, that a student has been left on a school bus must immediately report the incident to the owner/operator of the vehicle. If the Board of Education finds any driver or aide assigned to a vehicle operating under a contract awarded by this bid to be unsuitable for the position because of a lack of skills necessary to perform the job duties, inability to control students, failure to comply with the rules and regulations, incapacity, unbecoming conduct, or other good cause, the contractor may be required to remove the driver and/or aide from the route or all district routes. If the contractor fails to comply with this provision, the contractor may be required to show cause why this failure to comply is not deemed to constitute a breach of contract and may set aside and annul the contract.

2. The contractor must execute the contract and submit it to the district board of education with all required related documents for the district board of education to comply with the timeline for submission of contracts to the county superintendent. 3. Payment for the month of June will be made by **July 2025**.
4. Per Diem contracts will be calculated on the **actual number of days** transportation services are performed.

3. The contractor will protect, defend, and hold harmless the Board of Education from any lawsuits or actions of every nature and description brought against it for, or on account of any injuries or damages received or sustained by any party or parties by or from any acts of the contractor, its servants or agents as a result of the performance of the contract.

Bid Guarantee

1. Each bid must be accompanied by a bid bond, cashier's or certified check for a minimum of five percent (5%) unless a greater percentage is specified by the board for **5%** percent of the amount of the annual contract cost. In no case may the certified check, cashier's check or bid bond exceed \$50,000. No other form of guarantee is authorized. This guarantee must be made payable to the Board of Education. The deposit will be forfeited if the bidder refuses to execute a contract. Otherwise, checks will be returned when the contract is executed and a surety (performance) bond is filed with the Board of Education. The bid guarantee is identified by the bid number assigned to the bid for which it is submitted. The bid guarantee for all unsuccessful bidders, except for the three lowest bidders, will be returned within 10 days after the bid opening (Saturdays, Sundays and holidays excepted).
