

Starting with the 24-25 School Year, Arborbrook will utilize Home School Athletes when and where it is necessary to help field a team. It should be noted that not all Home Schoolers wanting to play for Arborbrook will automatically make the Arborbrook team. Interested families should reach out to the Athletic Director, Derek.Durst@arborbrook.org for specific information regarding the sport they are interested in to set up a tryout and get information on off season workouts. Families interested in pursuing a spot on a specific team should fill out the attached application and submit it to the school before doing anything else.

High School Teams:

Home School Athletes playing High School Sports will be required to register with the NCISAA and pay any subsequent fees. Additionally, any student athlete wishing to play sports for Arborbrook will be billed an additional \$150 fee. These fees help the team with the costs of officials, coaching stipend, jersey purchases and field rentals when applicable.

The following dates are deadlines to register with the state for sports in that season

Fall September 1

Winter November 1

Spring March 1

ALL Players must turn in any necessary paperwork clearing them to play before being allowed to try out for the team on the official start date of the season.

Please use the link below for information on the NCISAA Home School Athlete policy and registration requirements

[NCISAA Home School Policy](#)

Middle School Teams:

Home School Athletes wishing to play sports for Arborbrook at the Middle School level are NOT required to register with the NCISAA, but still must submit an application to the school and be approved before practicing or trying out with a team. Additionally, any families who make a team at the middle school level will be required to submit a \$150 payment to Arborbrook. Agreement to this payment will be on the Home School application.

ALL Players must turn in any necessary paperwork clearing them to play before being allowed to tryout for the team on the official start date of the season.

*****Families interested in seeing if their student athlete is a good fit for Arborbrook are encouraged to set up a private workout with a team/ coach prior to registration and submitting fees***

For Further information on ACA's HomeSchool policy and general information on ACA Athletics, please see the attached handbook.
