We want this to be a special time for all of our Seniors and their families. We realize this is a lot of information and may be stressful. Please reach out to one of us ( senior sponsors) or your guidance counselor if you need any assistance. Enjoy these last few activities and make sure you complete your requirements for your classes so you have all your needed credits and feel a sense of accomplishment! We will continue to use IC, Canvas, school announcements and the school website to keep you informed and continue to remind you of these important details.

It has been our pleasure working with this class and we wish you the best of luck!
