April 22, 2024

Dear Parent or Guardian,

Please be advised that Parkland School District will participate in administering Keystone Exam Assessments during the month of May. Students currently enrolled in the Keystone trigger courses (Algebra I, English II, Biology) or students who have not yet attained the level of proficient or advanced on a prior administration of the Keystone Exam will be assessed at this time.

The Keystone Assessments are based on the Pennsylvania Core Standards. As such, they are designed to measure student understanding of content based academic standards and our educational program. Participation in the Keystone Exams is a federal requirement. Additionally, your child's performance on the Keystone Exams may potentially satisfy graduation requirements for the class of 2023 and beyond.

The Keystone Exam Assessment schedule is as follows:

**Parkland High School**

May 13-14, 2024 Literature Keystone

May 15-16, 2024 Algebra I Keystone

May 20-21, 2024 Biology Keystone

**Orefield & Springhouse Middle Schools**

May 15-16, 2024 Algebra I Keystone

Please make every effort to ensure your child attends school during these testing periods. In addition, we appreciate your support and encouragement for your child during the assessments.

Feel free to contact your child's guidance counselor if you have any questions.

Sincerely,

James E. Moniz II  
Director of Assessment, Online Learning, &  
Alternative Education  
Parkland School District
