

KLEPTZ NEWS

May 2024

A message from the Nurse

All medication needs to be picked up in the clinic by the last day of school. Any medication left in the clinic will be disposed of over the summer. An adult must pick up medication.

A message from Food Service

For the 2024-25 school year, Northmont will be using a different online menu platform. We will no longer be using MealViewer after the 2023-24 school year ends. Instead, we will be transitioning to My School Menus this Summer. There will be a website and an app that is very similar to what we're currently using. Links will be provided when our new site is ready to launch
