Family Update Revision Volume 30

Dear Families,

I apologize for sending this outside the Friday updates. Last Friday, I announced we were recognizing Kennedy Burt as a district poetry winner. Shane Naughton, a fourth grade student at our school, was also a district poetry winner from Colina! Both students were recognized on our Thursday announcements, but I wanted to make sure we recognized Shane as well and apologize for the mistake. We are so proud of our talented authors!

I also wanted to include the link to complete for class placement environmental form for your convenience: <https://forms.gle/cVPiSRU3rf3dhmPr9>

Have a great week everyone,

Mrs. Pieper
