Tales of the Hollow

May 2024

From the principal's desk...

As the days grow longer and warmer, we find ourselves approaching the end of another school year. While the allure of sunny skies and outdoor adventures may beckon our young scholars, we still want to emphasize the importance of finishing the academic year on a high note.

The final quarter of school holds real significance for students. It's a time when they have the opportunity to solidify their academic achievements, demonstrate their commitment to excellence, correct past mistakes or lapses in energy, and leave a lasting mark on their educational journey. Despite the distractions that springtime events may bring, it's essential to remind our students that staying focused and dedicated can truly make a difference now and in the future.

Moreover, as we look ahead, we anticipate numerous celebrations and events to honor the accomplishments of our students, particularly our senior class. These milestones mark the culmination of years of hard work, perseverance, and growth. We invite families to actively participate in these celebrations and support our students as they continue to grow and mature.

Amidst the excitement, however, we must prioritize the safety and well-being of our students. With various festivities and gatherings on the horizon, we recommend that families keep the lines of communication open and ensure that students are making responsible decisions. By fostering a culture of trust and accountability, we can help our students navigate this celebratory season safely and responsibly. To that end, we will be hosting a few educational events for our upperclassmen, namely the Save a Life Tour (May 2nd) and Hang Up and Drive (May 21st) presentations geared toward helping our young drivers toward putting safety first. We appreciate your supportive messaging in this regard too.

As we embark on this final leg of the school year journey, let us come together as a community to encourage and support our students. Together, we can ensure that they finish strong, make lasting memories, and embrace the opportunities that lie ahead.

Here's to a fantastic end to the school year filled with achievements, celebrations, and cherished moments.

Sincerely,

Dr. Debbie Brand

Social Studies

May 11

For Global History & Geography and US History & Government students

Learning about Leadership and Careers

District students from fifth through tenth grade attended the G.O.O.D for Girls conference at Westchester Community College.

High schoolers Isabella Bencosme, Catalina Baez Urbina, Rosmely Gratereaux De Jesus, and Amanda Otavalo Gomez participated in the conference due to their leadership potential, attending with Audrey Brutus, Supervisor of Social Emotional Learning and Community Engagement; Judy Ravina, Director of Multilingual Programs; and Joan Mullin, SHMS/SHHS librarian.

These girls bonded and connected with one another over breakfast and lunch. Throughout the day, the girls participated in various leadership workshops, including sessions on budgeting, time management, technology and self-care.

One of the highlights was the career expo, where the girls were exposed to women in a variety of different careers and professions, which helped broaden their horizons about the possibilities that lie ahead.

Additionally, the girls had the chance to participate in community building opportunities, where they connected with girls from different school districts, further developing their social awareness and relationship skills.

It was “Impossible” to not have an enjoyable time at Sleepy’s performances of Rodger and Hammerstein’s *Cinderella* the first weekend of April.

Learning about Opportunities in Construction

On April 12, students attended the annual Hudson Valley Construction Career Day Fair at Rockland Community College. The event was organized by The Westchester-Putnam Building and Construction Trades Council, alongside partners from the Rockland Building and Construction Trades Council and the Construction Industry Council.

Students were able to delve into hands-on activities and informative sessions tailored to uncovering the myriad opportunities within the building and construction industry. After an engaging morning at Construction Career Day, students returned to school buzzing with excitement, having explored a diverse array of career options.

Learning to Write from a Bonding Experience

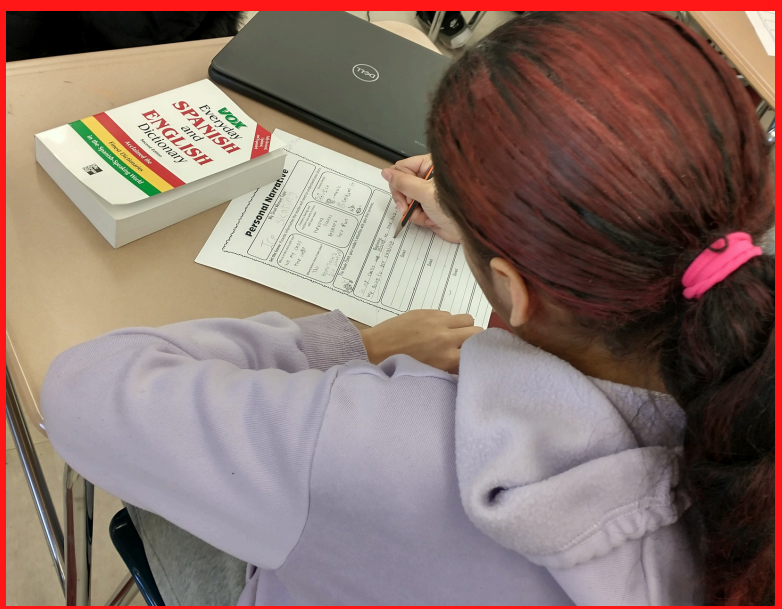

Twenty-one newcomer ENL students went ice skating at Hommocks Ice Rink in March. This was the first time ice skating for half of the students.

Some students were really great at skating, so they helped others. There was an instructor who taught the students to bend their knees and glide, so they would skate better. Many students improved from the beginning to the end of the session. It was really fun to see how they transformed from being really nervous and grabbing the rail to letting go and skating without any help.

Upon their return to school, the students wrote about their experience. They were able to add a lot of details to their writing, especially sensory details.

This is a great example of the Language Experience Approach where students have a shared experience, which encourages students to talk and write about their experience. Students recalled what happened and others added to the recollection. It encouraged a lot of oral and written language.

Checking Out the College Fair

The SHHS College and Career Fair was held in mid-April.

A gym filled with college admissions counselors helped our students and parents with finding colleges that could be the right fit.

We also had community representatives in attendance to help answer questions about careers in working for police departments, fire departments, first responders, and a special summer grant opportunity through a local church - The Susan Fund.

Galloping Gourmet Club

The Galloping Gourmets cooking club believes in the innate importance of culinary skills as part of an independent, healthy lifestyle. Members aim to learn about and engage in cooking together and to give back to the community in special events and sales. The club meets twice a month, first to discuss what members would like to prepare and then to prepare it and share a meal together. The club runs food sales, contributes annually to the Food Bank of the Hudson Valley, donates holiday meals to families in the community, and establishes a kitchen, which is open to the whole school. The Galloping Gourmet Club believes that food is love, and it loves our school.

Spinach Feta Wrap a la Starbucks

Prep Time: 1 minute Cook Time: 5 minutes
Total Time: 6 minutes Servings: 1 wrap

Ingredients:

- 1 10 inch tortilla (gluten free, if preferred)
- 2 large egg whites
- 1/2 cup spinach, fresh or thawed from frozen
- 4 sun dried tomatoes, chopped
- 2 tablespoons feta cheese, crumbled
- 1/4 teaspoon salt
- 1/8 teaspoon pepper

Instructions:

1. Coat a non-stick skillet with oil or cooking spray and place over medium heat. When hot, add your egg whites with salt and pepper. Fold over and cook both sides. Remove from the pan.
1. Add your fresh or thawed frozen spinach and cook, covered, for 1-2 minutes or until wilted.
1. In the center of the tortilla, add your egg whites, wilted spinach, sun-dried tomatoes, and crumbled feta, and wrap up.
1. Place it back on a skillet and brown all sides, or crisp it up in a panini press.

Cook's Note: Feel free to add your own favorite ingredients–this recipe is very versatile!

Taking Time for Self Reflection

SEL, also known as social and emotional learning, is a way for students and adults to reflect on their behaviors, achievements, and overall self-awareness. Below are some reflection questions to focus on during the week.

MONDAY

What academic skills are the biggest challenges for you? What are strategies you use to help you with those challenges?

TUESDAY

You are unique and have your own individual strengths! List, draw, or describe your biggest strengths. Try to think about what you are great at, what you could teach someone else, or what a friend might say about you.

WEDNESDAY

Let's debate: Can someone turn a weakness or challenge into a strength over time? Why or why not?

THURSDAY

Read and respond to the quote. What does it mean to you? Do you agree or disagree? Why? "You are strong when you know your weaknesses. You are beautiful when you appreciate your flaws. You are wise when you learn from mistakes."

FRIDAY

Our strengths are often great tools to help us achieve our goals and dreams. What are some ways you'd like to use your strengths to achieve your dreams for the future?

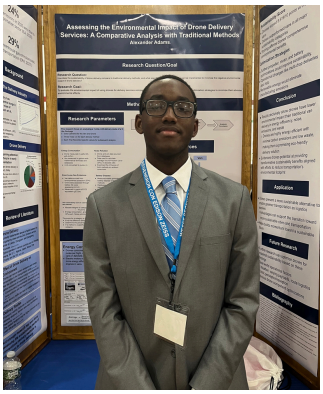

Participating in Westchester's Science Fair

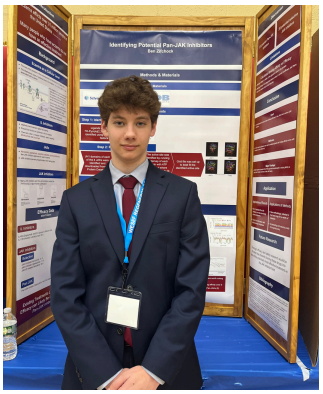

Sleepy Hollow had 11 amazing students compete in the 2024 Regeneron Westchester Science and Engineering Fair held in March.

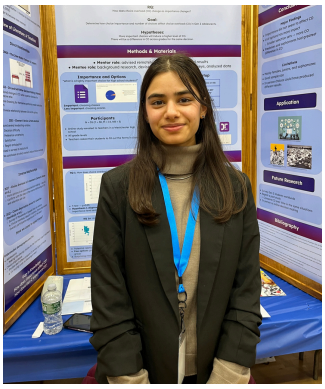

Over 700 students, 482 judges, 69 teachers, and 50+ student volunteers participated in this event, making it the largest regional high school science fair in the United States.

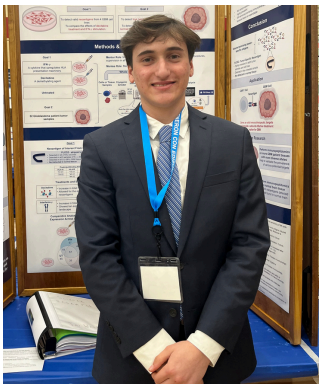

Our WESEF participants were: Alex Adams, Maya Batheja, Emily Clayton, Cynthia Pintado, Maya Mendez, Emily Aridas, Zoey Murphy, Sumiran Margolis, Joseph Weitzen, Dmitri Wild-Arons, and Ben Zifchock.

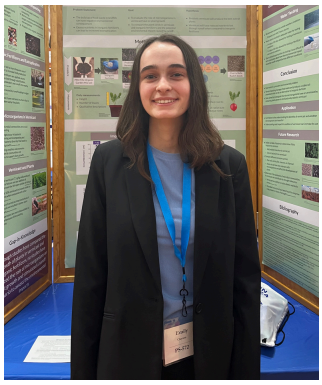

Three Sleepy Hollow students also helped document the event by recording video: Chris Cesarano, Isabella Luciano, and Samantha Poy.

Emily Clayton

BASF Expanding Knowledge in Science Award (exhibiting excitement and enthusiasm for discovery)

Bringing Back Sleepy's Jazz Festival

The Sleepy Hollow Jazz Festival came back to life for the first time since 2019, its 18th year running overall.

Students from eight school districts were invited to participate in this ensemble based on a recommendation by their director.

Students were able to rehearse with visiting artists throughout the day, culminating in what was a great free performance that evening.

This year also featured our inaugural Festival Vocal Jazz Ensemble. This group featured talented individuals from 9 different high schools. This is the first regional vocal Jazz ensemble in Westchester County.

The group was directed by Grammy award winning vocalist, Lauren Kinhan. All the students, directors, and clinicians made this year's festival a huge success.

Acknowledging Musical Achievements

Sophomores Nico Mayor (drums) and Henry Scheller (bass) performed an impressive set of challenging and diverse music as members of the 2024 WCSMA All-County Jazz Bands in March. Acceptance into the all-county Jazz groups is determined by audition. Only two students from across the county are selected for the drum chair and bass chair. For Henry and Nico to earn these chairs as sophomores is an extraordinary accomplishment and a testament to their ability, practice, and love for making music.

Additionally, senior Nina Lyppens performed in Syracuse as a member of the NYSBDA Statewide Honor Concert Band. This highly selective group is comprised of some of the most extraordinary young musicians from across New York State. Over 500 students applied to participate in this year's group. Acceptance into the ensemble is based on a student resume, work samples, and teacher recommendation. This tremendous accomplishment is made all the more impressive by the fact that this is Nina's third-straight year being accepted into the group.

Positive Affirmations

To replace negative thinking it is important to retrain your brain to think more positively by using daily positive affirmations. Take a look at the list of affirmations, choose your top 3 and display them somewhere you can see everyday to repeat to yourself.

1. I am capable.
2. I can make a difference.
3. My life is beautiful.
4. I believe in myself and my abilities.
5. I am important.

Looking for A Great Read?

"*The Women* is the story of one woman gone to war, but it shines a light on all women who put themselves in harm's way and whose sacrifice and commitment to their country has too often been forgotten. A novel about deep friendships and bold patriotism, *The Women* is a richly drawn story with a memorable heroine whose idealism and courage under fire will come to define an era."

Another Concert Club Performance

The Sleepy Hollow Tiny Desk Concerts Club has put out another concert video. This time from talented singer/songwriter Abby Matos-Rodriguez (freshman) performing her original song titled “Open Your Eyes.” The concert club has been hard at work filming, recording, and editing performances by our amazing high school students.

They will continue to release concert videos, beat-making tutorials, music videos, and more on their Sleepy Hollow Tiny Desk Concerts YouTube channel.

Selected for Film Festival

Senior Milo Eaton had his film selected to feature in the Nyack International Film Festival, which took place in early April. As stated on the festival site, his film *Mediocrites* is a “mockumentary about Mediocrities, the Ancient Greek Philosopher responsible for the world’s most popular philosophy-mediocrity!”

Milo is co-president of the SHHS Film Club. His film’s selection foreshadows an exciting future as he prepares to pursue a major in film at Emerson College this coming September.

To see other films screened at the festival, you may go to https://nyackinternationalfilmfestival.com/films/.
