By signing this Contract, you are aware of and agree to the following expectations:

- I am committed to enrolling in an Advanced Placement (AP), Honors, Accelerated Course, or specialty class for **the entire year**. I understand that my schedule will not be changed and that I will not be allowed to drop the class. I understand that if I drop an AP/Honors course in the school year, I may* receive a Drop F- grade which will remain on my transcript. The drop F will be for one semester only. *Any change to the schedule after the first three days of school, needs to be communicated to the colleges (seniors).*
- I will demonstrate a commitment to succeed in my Advanced Placement (AP), Honors, Accelerated Course, or specialty course by accessing the resources that will be made available to support me. Resources may include additional help from the teacher, support from a study group, labs, test preparation sessions, and practice tests. I am aware that FLEX and peer tutoring are additional options for academic support.
- I have consulted with my parents to ensure that I am requesting for the appropriate number of Advanced Placement (AP), Honors, Accelerated Courses, or specialty courses in order to maintain balance for other obligations.
- All students are expected to take the corresponding Advanced Placement Exam in each Advanced Placement Course.
- All students are expected to speak with their current content area teacher if they are considering taking an AP/Honors/Accelerated/Specialty class in order to make an informed decision about requesting an advanced course.
