SOLON HIGH SCHOOL ORIENTATION

Solon High School is rolling out its welcome mat to 8th grade students and their families on Thursday, January 19, for an interactive orientation program beginning at 6:30 p.m. This program is an excellent opportunity for students and families to get a first-hand look at everything Solon High School has to offer.

Students and parents/guardians will follow different schedules during the event. For students, the evening showcases the wide array of programmatic offerings for SHS students in the arts, activities, and athletics. Students learn about the academic program and scheduling details during visits from SHS counselors and administrators at Solon Middle School.

While the students are meeting club advisors, coaches and student leaders in extra-curricular activities, parents/guardians receive an overview of the high school's academic program with SHS counselors in the auditorium.

The program is open to all SMS 8th grade students as well as those Solon and Glenwillow 8th graders currently enrolled in private or parochial schools. Invitations will be sent to families beginning this week.

WINTER BREAK

The Solon Schools will be on winter break from December 21 through January 3. As a reminder, Wednesday, January 4, is a professional day, so there is no school for students that day. School will resume for students on Thursday, January 5.
