15 SOLON HIGH SCHOOL STUDENTS QUALIFY FOR SPEECH & DEBATE NATIONALS

It's on to nationals for Solon High School Speech & Debate! The Solon team took first place at the North Coast National Qualifier February 15, winning the O'Leary Excellence in Speech award.

Fifteen team members either qualified outright or as alternates to the National Speech & Debate Association National Tournament in Albuquerque, New Mexico, in June.

The following seven team members qualified for nationals: Madison Bolden, Nick Caraballo, Aditya Kalahasti, O'rimilo Oresanya, Megan Tang, Megan Wisner and Matthew Wilson.

Solon's eight alternates to nationals are: Nandana Ahuja, Mira Atwah, Vaibhav Bhargava, Pinak Chitnis, Aidan Cullers, Olivia Heus, Michelle Park and Seth Rendon.

"I am thrilled with the outcome of our national qualifier," said Dan Ceci, Solon's Speech & Debate advisor. "Our students this year are incredibly talented, but more importantly they are motivated, hardworking and great teammates. They truly care about one another and making our team as a whole better."

CENTRALIZED SOLON SCHOOLS KINDERGARTEN REGISTRATION

Kindergarten Registration in the Solon Schools is under way. The district's centralized registration process includes two important steps:

- Submission of the online registration forms (links are posted on the district website)
AND
- Completion of the registration process (and turning in of required documents such as students' birth certificate, notarized affidavit of residency form) in person on March 4 and 5 at Arthur Road School

This March centralized registration process is critical for district staffing and planning for the next school year. Families who do not complete registration during the March centralized registration are not guaranteed placement for kindergarten in their home school.

For any families who may have missed Kindergarten Information Night, the program is available for viewing on demand at setv.viebit.com and the handouts are posted on the district website.
