ORCHARD MATH COUNTS TEAM TAKES 1st AT NORTHEAST OHIO COMPETITION

In its first year, Orchard's new Math Counts program is making its mark on the area competition circuit by qualifying for the state tournament in March.

Competing against seventh and eighth grade students, Orchard's sixth grade team earned first place team honors at the Northeast Chapter competition and will compete at states on March 12. Additionally, the team took first place in the "countdown round," a fast-paced, head-to-head oral response session.

The state-qualifying team includes sixth grade team members Easton Singer, Ryan Li, Michelle Park and Scott Zhao.

Individually, Easton Singer earned first place and Ryan Li, second place. Scott Zhao and Rohan Jaiswal also finished in the top 10 and will compete at states in the individual competition.

"It was amazing to watch," said advisor and Orchard math teacher Michelle Huffman. "I am just so proud of our sixth graders. They showed great sportsmanship throughout the competition as well."

SOLON HIGH SCHOOL SPEECH & DEBATE TEAM MEMBERS HEADED FOR NATIONALS

SOLON RECEIVES TWO GOLDEN FOOTBALLS FROM NFL

Solon High School's trophy case is now home to two Super Bowl 50 golden footballs from the National Football League. In conjunction with the 50th Super Bowl, the NFL sent commemorative gold football trophies to high schools nationwide that have graduates who competed in the Super Bowl.

Since Solon has two football alumni – Kim Herring and Jim Mandich – who went on to NFL success, including Super Bowl appearances, the high school received two golden footballs marking their inclusion on the Super Bowl High School Honor Roll.

Kim Herring competed in two Super Bowls (XXXV and XXXVI) with the Baltimore Ravens and St. Louis Rams. Jim Mandich played in four Super Bowls (VI, VII, VIII and XIII) with the Miami Dolphins and Pittsburgh Steelers.
