First Grade E-Learning Day

Happy Snow Day!

Today is an E-Learning Day! Please pick one activity to do from each column on the E-Learning board.

Complete the four activities that you have chosen from the E-Learning board and have an adult initial AND date each of the squares. Then, **bring your E-Learning board, Ipad, and completed activities** back to school. You will then be counted as present for the snow day.

In the event of multiple snow days in a row, continue to complete one activity per column for each snow day we have.

Zoom link information will be emailed to you the morning of snow day.

If you have any questions, please email your teacher.
