

Parent Mentor News

NEED HELP?

Joanna Innes, Solon Parent Mentor, is here with FREE peer-to-peer support for parents of children with disabilities. She uses her first-hand experience to work with school officials and guide families to increase the educational success of students who receive special education services. Joanna can help you prepare for and attend any meetings at your request. She can also share resources of local agencies and organizations. Contact Joanna Innes at JoannaInnes@SolonBOE.org

Missed the November OPEN Presentation about the Cuyahoga County Board of Developmental Disabilities?
