

# Digital Learning Dashboard

## Out-of-School Digital Device Access

### Introduction:

The purpose of this survey is to fulfill session law "§ 115C-102.9 calling for the collection and reporting of data regarding all students access to digital devices and internet access at home. This information will be used to help target areas of need and ensure that all NC students have adequate access to devices and the internet to access learning. Note that the information gathered will be kept private and confidential.

### Instructions:

Thank you for completing this survey. As you work through the survey and select choices, corresponding questions will prepopulate with N/As and gray out other choices.

Copy Information from Previous Child
