SO MUCH TO CELEBRATE!

As we approach the end of another school year, I wanted to take a moment to reflect on the remarkable journey we have experienced together. It seems like yesterday that our staff gathered for our annual Rise and Shine gathering at the activities complex at Liberty High School back in mid-August. Just days later we would welcome our nearly 13,000 learners to our schools to begin the journey together in what would be a memorable 2023-2024 school year.

In what seems to be a tradition in Liberty Public Schools, there have been more individual, team, school, and department awards and celebrations to count as this year has unfolded. We hope you have enjoyed following these remarkable efforts from our students and staff in our various communication platforms that we have in place here in LPS. One of the final, and most monumental, celebrations will take place in the coming weeks as approximately 1,000 of our learners will take that memorable walk across the stage to receive their respective diplomas at commencement ceremonies. We encourage you to take a few moments to read the names of all of our Class of 2024 graduates that are included in this publication in the pages that follow. We wish each of these young people nothing but the best as they embark on their journey in whatever the future holds for them. We also thank them for allowing us to be a part of their academic journey.

It will not be long before we turn all attention to preparing for what is next, and the start of the 2024-2025 school year. For those of you who will be returning to LPS next year, we encourage you to remain engaged with us through our communication channels as we will be sharing information that will be intended to allow for a smooth transition back to the classroom for our students in August. In the meantime, as we now approach summer break, I encourage everyone to take time to rest, recharge, and rejuvenate.

Thank you for all you do, and wishing you nothing but best in the weeks and months ahead.

Be Well!

Dr. M. Jeremy Tucker,
Superintendent - Liberty Public Schools

EMPLOYEE RECOGNITION

As is tradition in LPS, the spring semester provides the opportunity to recognize nearly fifty staff members as part of the district's Teacher of the Year and Support Employee of the Year programs. This year, staff were nominated by their respective colleagues at the building level, and then recognized at celebration luncheons in March 2024. Below, we introduce you to this year's nominees. If there is a face you recognize and you would like to personally congratulate them, we would encourage you to visit our social media platforms, as there are opportunities to share your message of appreciation.

Congratulations again to these amazing staff, and we appreciate all they do for our students, staff, families, and community!

LPS News & Notes

Titletown - A Semester of Championships

What a memorable semester it has been, with numerous student and staff championships and recognitions throughout our District. We wanted to take a few moments to share with you a sampling of the accomplishments that were achieved by those who make up our LPS community. If you would like to see a detailed summary of all of the recognitions achieved by our students and staff at all grade levels, we would encourage you to subscribe to our various communication platforms, including "X", Facebook, and Instagram. Congratulations to each of these individuals involved for your amazing contributions to this unprecedented success.

Liberty High School Sapphires

The Liberty Sapphires won big, bringing home their fifth consecutive state title Saturday, February 24, 2024. The team took first in Class 6 Lyrical Jazz, first in Class 6 Pom. Their combined scores in both routines earned them the state title.

"Anytime a team pulls together after facing adversity is considered a win, but securing a state championship title after facing these challenges is even more rewarding for these athletes," said head coach Maggie Willis. "Just like all sports, these dancers work to build a team-culture mindset, set high standards on and off the floor, hold themselves accountable to their individual and team goals and continue to dig deep with grit to fight for their set goals. The Sapphires truly believed in the process to be the ultimate we-over-me team."

The Sapphires are now 13-time Missouri State Champions, four-time UDA National Champions and five-time UDA National runner-ups.

Liberty High School Wrestling

The domination on the mat continued for the Liberty High School Boys Wrestling Team at the Missouri State High School Wrestling Championships held in Columbia, MO February 23-24, 2024. When the dust had settled, it was the Blue Jays who ran away from the competition and claimed the program's fifth consecutive state championship. In the process, the Jays were able to bring home a total of four individual state championships. Boys state champions included: Hunter Taylor (120 lbs.), Gavin Linsman (150 lbs.), Peyton Westpfaul (175 lbs.), and Isaiah Hung (215 lbs.). To put icing on the cake, the Blue Jays captured a girls wrestling individual state championship, as Sandy Breeden rolled through the competition to become the second girls wrestler in LHS history to win the gold.

Elmotie Williams - LNHS Back to Back Champ

Liberty North High School Junior Elmotie Williams became the first LNHS Eagle wrestler to win multiple individual state championships when he had his arm raised as the state champion on Saturday, February 24, 2024 in Columbia, MO. Williams dominated the 285 lb. weight class that capped a memorable junior campaign. In addition to the state title for Williams, he also was victorious at the always tough Winnetonka tournament earlier this year. He will now focus attention on the upcoming Fall 2024 football season for LNHS, as he is key member of the Eagles offensive line.

Avery True Swim Story

Liberty North High School Senior Avery True put the finishing touches on an amazing high school swimming career as she captured two individual first place finishes at the Missouri High School State Swimming and Diving championships in St. Peters, MO in February. True won both the 100 freestyle and 200 freestyle events, and broke the state record in the 200 in the process. Among her accomplishments swimming for the Eagles included being a first team all-state swimmer during all four of her years, a two time state champion both of her junior and senior seasons, and owning four individual school records. Following the state meet this season, she was named the MSHSAA Class 2 Women's Swimmer of the Year. Upon graduation in May, she will be off to the University of Wyoming on a swimming scholarship.
