

Right now, your students may be seeking help to pay for their college education. From finding scholarships to understanding student loans, it's easy for them to get frustrated. But, with the right tools and resources, you can help your students get the financial support they need.

In this FREE eBook – [Financial Aid: Paying for College and University](#) – we help students through the financial aid process by teaching them:

- The basics of financial aid
-
- Where to find help paying for college
-
- How to apply for financial assistance
-
- How to estimate and compare the costs of their college choices
-
- Ways to reduce and pay for the costs financial aid doesn't cover
