READING CHALLENGE

Complete 6 Reading Challenges and Earn a Book for Your Home Library!

6-8 Instructions

Complete 6 of the activities below and earn a token for the book vending machine! You may earn one book each nine weeks. Each activity must be about a different book and a book that you choose! You can find books in your school media center, public library, classroom library, or NC Kids Digital Library.

Turn in your completed work to your school media coordinator.

Write a reflection on your library book, discussing what you enjoyed, what you learned, and any connections to your own life.

Choose 10 unfamiliar words from a library book you are reading, define them, and use each word in a sentence to demonstrate its meaning.

Record a video or audio book talk, recommending a library book. Explain why you enjoyed it.

Create a colorful poster to persuade someone to read a library book, including key details, a catchy slogan, and an eye-catching design.

Create your own book activity - or - participate in an after school library event or contest

Adapt a chapter or section from your library book into a graphic novel format, including illustrations and dialogue bubbles.

Read a book outdoors or with a family member or friend. Take a "selfie" showing you and the cover.

Record yourself (video or audio) reading a library book or a chapter from a library book.

Create a scavenger hunt using clues and page numbers from a library book. Create a minimum of 5 clues.
