

Week of May 6th

DPS Principal Newsletter

No School Friday, May 24th

Due to having no snow days this school year, the Board of Education amended the school calendar to include a give back day for students and staff on Friday, May 24th. Please be sure to mark this on your family calendar!

Teacher & Staff Appreciation Week

We will be celebrating the amazing DPS teachers and staff the week of May 6th! We are very lucky to have such dedicated professionals who are caring, consistent, and willing to go above and beyond to do whatever is needed to help our DPS students learn and grow! Be sure to take a moment to share your appreciation!

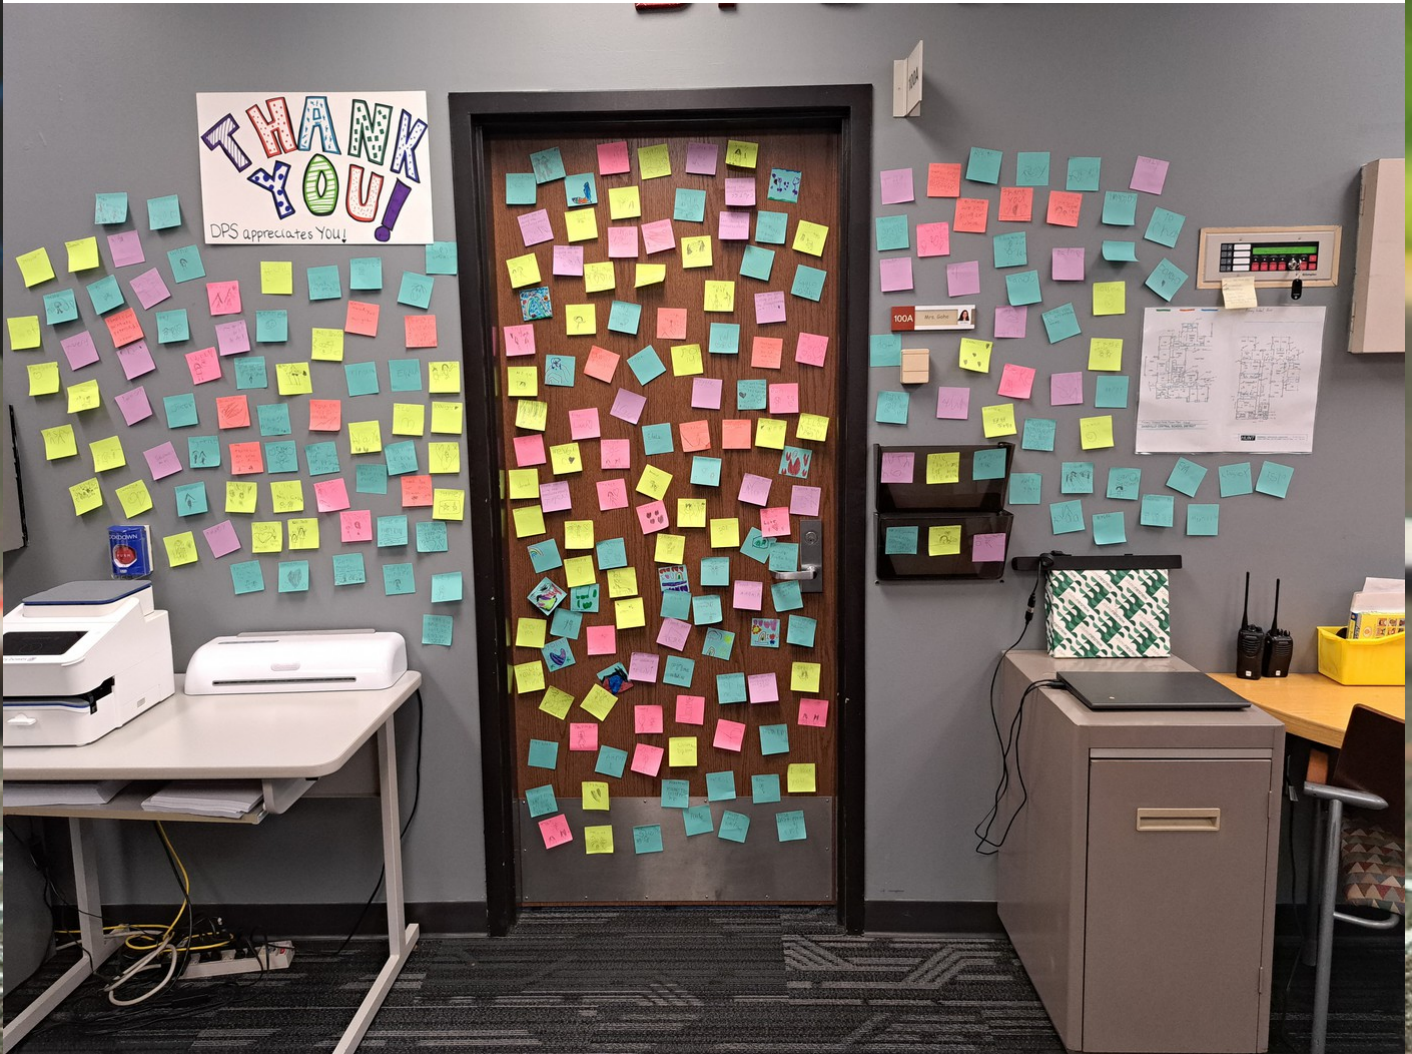

Sneakers

Please remember that it is best for children to wear sneakers and socks to school each day so that they are ready to run and play in PE class as well as out on the playground.

HIGHLIGHTS OF THE WEEK

Principal Appreciation Day

Wow, what a wonderful surprise I had when I found my office door and wall was filled with post-it notes from DPS students! It put a huge smile on my face and definitely made my day! I truly love my job and am a very proud principal!

Fist Bump Friday

This morning the seniors on the girls Varsity Track team came to DPS to start the students day off with a fist bump!

4PK Field Trip

What a beautiful day for a 4PK field trip to Backyard Barnyard. The highlights included the petting zoo, feeding the goats and pigs, the bounce house, a rubber duck race, the sand pit, and a music wall.

Leadership in Action

Ms. Will's 3PK students visited Mrs. Blodgett's class to listen to a story and candle eggs. They are coming back next week when the chicks hatch! Opportunities like this provide our kindergartners a chance to showcase their leadership skills!

!K Grade Highlight

Mrs. Kowal's kindergartners are hatching chicken eggs. They have been reading nonfiction and fiction books about chickens, as well as maintaining a journal to record their growth. These Kindergartners will be able to tell you what they see when they candle an egg!

Golden Spatula Winners

DRUM ROLL for this week's 1st and 2nd grade Golden Spatula winners. See below!

Before the Event What and When to Eat

What and when you eat before competition can influence how you perform. It is also a highly individualized decision based on previous experience, physical comfort and emotional or mental considerations. In general, you should maintain a high complex carbohydrate, low-fat diet throughout the training period. Then, chose a pre-competition meal that works well for you. Include complete carbohydrates and fluids, and limit fat. Eat 2 to 4 hours prior to the event and eat familiar, carbohydrate-rich foods to avoid intestinal distress. Drink ample amounts of water, milk or juice with the meal. Substitute frequent carbohydrate-rich snacks and fluids for full meals if it makes you more comfortable. (Avoid caloric drinks up to 45 minutes before the event but do drink plenty of water).
