

CCPS Out-of-District Pre-Registration from the District Site

The image shows a screenshot of the Cullman City School District website. The background is a photograph of students in a classroom looking at a 3D printer. The website header includes social media icons for Facebook and X, and navigation links for DISTRICT and SCHOOLS. The main navigation menu contains: Careers, Join Our Team, Departments, Calendar, CAPITAL IMPROVEMENT (highlighted with a white border), a search icon, and a MENU icon. A vertical sidebar on the right contains three buttons: REGISTER (circled in red), FOR PARENTS, and FOR STAFF.

Registration

General Info

Please be aware that students **must register** with Cullman City Schools **every** year. This process is completed online. Yearly registration information will be distributed by each school. Once you have received this information, you may use the links below to register your child.

This yearly registration process is critical. You will have the opportunity to update all student information including the student's address and emergency contacts.

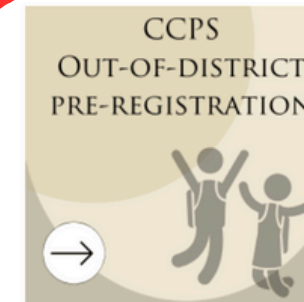

The enrollment of students is subject to Cullman City School System Board Policy V1(v) regarding residency which provides that parents of children enrolled in the Cullman City School System have a continuing duty to inform the school system if they move out of the City of Cullman. If parents inform the school system within 15 days of moving and pay the pro-rated out-of-district fees for their children, they will be allowed to continue as students in the system. If the school system is not informed of the move within 15 days then the child is subject to withdrawal from the system.

Once You Have Received Your Registration SnapCode

If you are the parent/legal guardian of a student that is *in-district* (or a student **approved** as an *out-of-district* enrollee at one of our schools), you should receive a registration code from the appropriate school that will allow you to complete the *PowerSchool* Registration process. This code is **required**.

When you have received your *PowerSchool* Registration code from the appropriate school registrar, choose the appropriate link below to continue your registration:

Registration Links

Either link will take you here.

CCPS Out-of-District Pre-registration

If you visit this page prior to 12:01 a.m. on May 9th, you may need to refresh your browser, once registration opens, to ensure that the post below loads for you.

CCPS Out of District Pre-Registration Begins May 9th

Beginning at 12:01 a.m. on May 9th a link to the CCPS Out of District Pre-Registration Form will be available in a post below.

This pre-registration process is the preliminary step in applying for Out-of-District enrollment in CCPS. The online form does not guarantee placement in CCS. It is used for pre-registration and allows us to create a timestamped list for our available Out-of-District slots and notify those who will need to complete the full registration process.

When registration opens, a new post will appear here. It will contain a link to the pre-registration form.
