## COUNSELORS CORNER

Hello Bulldog Families!

This week we presented one last time to all of our seniors during their English classes! We discussed important graduation information and things to look forward to during this last month of school. We are so proud of our seniors and wish them the best of luck with all of their post-graduation goals.

If your student signed up for summer school, counselors are currently inputting the classes that they will be scheduled for. The summer school staff should be reaching out soon to let you know if your student was admitted or is on the waitlist.

If your student is enrolled in Edgenuity and/or Adult School, please encourage them to finish their classes swiftly as deadlines are quickly approaching.

As always, please reach out to your student's counselor should you have any questions or concerns regarding your student's graduation status.

## UOP SUMMER OPPORTUNITY

The Pacific Summer High School Institute is a two-week residential pre-college summer program designed for curious high school students to live, learn, and grow at one of America's top universities. During the program, summer institute students will become immersed in cutting-edge topics and issues through learning environments focused on real-world, hands-on experiences in our labs, studios, fields, and maker spaces. In short, Pacific Institute students will experience college firsthand. For more information about the academic and athletic programs, visit: [pacific.edu/about-pacific/summer/precollege-summer-program/learning](https://pacific.edu/about-pacific/summer/precollege-summer-program/learning)

The summer institute is all-inclusive, and the tuition covers the academic and co-curricular programming, housing, and all meals for the two weeks of the program, from June 2 to June 13. For eligible Boys & Girls Club of Tracy students, the Pacific Summer High School Institute tuition is 100% sponsored by Tracy Unified School District and registration is free for families. For more details on the registration process, visit the following page and make sure to register your student today:
