Woolwich Twp. – Kingsway Regional High School proudly announces that 85 students have earned prestigious academic honors from the [College Board National Recognition Programs](#), reflecting their exceptional dedication to academic excellence. These programs provide a platform for students, particularly those from rural areas, Black, Indigenous, and/or Latino backgrounds, to showcase their talents to colleges and scholarship programs seeking diverse talent.

Superintendent James Lavender expressed pride in the achievements of the students: "We commend our students for their remarkable academic performance, both inside and outside the classroom, as evidenced by their outstanding results on College Board assessments such as the PSAT/NMSQT®, PSAT™ 10, and AP® exams. This recognition further solidifies their unique strengths as they chart their path toward future success."

The 85 students collectively earned 104 separate academic honors, including 16 National African American Recognition Awards, 12 National First-Generation Recognition Awards, 12 National Hispanic Recognition Awards, 1 National Indigenous Recognition Award, and 62 National Rural and Small-Town Recognition Awards. These distinctions exemplify the diverse talents and exceptional achievements of our student body.

Eligibility criteria for these honors include a GPA of 3.5 or higher, exceptional PSAT/NMSQT or PSAT 10 scores within the top 10% of assessment takers in each state, or achieving a score of 3 or higher on 2 or more AP Exams in 9th and 10th grade. Additionally, students must attend

school in a rural area or Small-Town or identify as African American/Black, Hispanic American/Latino, or Indigenous/Native.

Students are invited to apply on [BigFuture](#) during their sophomore or junior year and are awarded at the start of the next school year in time to share their achievements in high school as they plan for the future. Colleges and organizations using College Board's [Student Search Service™](#) can connect directly with awardees during the recruitment process.

Tarlin Ray, senior vice president of BigFuture® at College Board, highlighted the significance of these recognition programs: "We're exceptionally proud of the National Recognition Programs for celebrating students who are sometimes overlooked but have shown their outstanding academic abilities. This benefits not only the students but also colleges and universities committed to recruiting diverse and talented individuals."
