Job Description

Purpose:

Under the supervision of the Principal or designee, support the development of a new CTE Pathway including development of curriculum, instructional strategies, pathway development, advising facilities changes, purchasing equipment and instructional materials, educational and industry partnership development, student outreach and recruitment, and provide all aspects of effective student instruction.

Knowledge:

- Current Zero Emission Vehicle Technology concepts and skills, basic teaching strategies and classroom management.

Duties and Responsibilities:

- Develop curriculum that engages and supports all students in the learning process
- Align curriculum to academic standards as appropriate so students see the relevance between career technical and academic standards
- Able to organize subject matter for student learning
- Report grades and attendance
- Instruct and prepare students for entry-level jobs or continued education in the Automotive Technology industry
- Develop workplace learning sites and training plans
- Provide supervision at the work sites
- Develop an ongoing Industry Advisory Committee
- Responsible for all aspects of student supervision, motivation and program compliance
- Responsible for classroom management
- Create and maintain effective environments for student learning
- Able to plan instruction and design learning experiences supportive of all student
- Continue professional development in specific subject matter as well as teaching profession
- Perform other duties as assigned

Training and Experience:

- Minimum of three (3) years' work experience in the Zero Emission Vehicle field
- Possess **or** qualify for a Career Technical Education Credential in relevant field

To qualify for a CTE credential, you must have a minimum of three (3) years' work experience in the Automotive Technology or related field, one (1) of which must have been within the last three (3) years. One year equals a minimum of 1000 clock hours and the experience may be full-time or part-time, paid or unpaid.

Accredited by the Schools Commission of the Western Association of Schools and Colleges

In accordance with the provision of Sections 504 of the Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972, Title VI of the Civil Rights Act of 1964 and Eden Area Regional Occupational Program policy, no qualified person shall, on the basis of race, color, national, origin, religion, sex, handicap, or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity in the Eden Area Regional Occupational Program.
