4.	MINOR ENHANCEMENTS & FIXES	4

1. OVERVIEW

eSchoolData is pleased to announce version 11.8.0 of the eSD® Student Management System. This release includes many enhancement items as well as minor bug fixes.

For more information, please review this release notice for additional details regarding build highlights, product enhancements, minor enhancements & fixes, and security updates for this version of the eSD® Student Management System.

2. RELEASE HIGHLIGHTS

- Marking Period Summary Report** With this release, users will be able to view a Marking Period Summary report within Teacher Connect that includes the 4 Marking Periods. This report will be available from the Report Card Entry view in the Gradebook.
- Staff Schedule Report by Date-** With this release, users will be able to view staff schedules as of a specific date. A new tab has been introduced to the Staff Schedule Report that will let the user view only classes for the specified date.

3. PRODUCT ENHANCEMENTS

GURU
GURU > API Explorer TheGET /v1/students endpoint has been updated to include iGender in the attributes.
GURU > Notifications Correction made to an issue that was preventing users from receiving attendance notifications for Tardy statuses with no reason associated.
REPORTS
Reports > Grade Reporting > Report Cards Correction to the .xsl output of the report cards to return the proper format if a custom template is selected.
PA Only Reports > Enrollment > Administrative Reports The New Student Enrollment report has been updated to include the Special Education and Immigrant fields as defined by PA rules.

STAFF
<p>Staff > Staff Schedule Report A new Schedule by Date tab has been added to the Staff Schedule Report page for Administrators to view a staff schedule as of a specific date.</p>
STUDENT PROFILE
<p>Student > Profile > Registration Race and Ethnicity have been added to the student Registration form.</p>
<p>Student > Profile > Report Cards A new dropdown has been added for users to select the new custom report card templates.</p>
<p>Student > Student Profile The Student Home District field has been added to the Students Information section on the student profile.</p>
TEACHER CONNECT
<p>Teacher Connect Cosmetic change on the period number display to remove the redundant 'P' in the classes dropdown.</p>
<p>Teacher Connect > Gradebook The Marking Period Summary Report will now be available when Teachers are on the Report Card Entry screen. This will contain a summary of all Marking Period grades for all students associated with the selected class section.</p>
<p>Teacher Connect > Gradebook > Microsoft Teams Assignments set up to be ignored within Microsoft will not be imported. All newly imported assignments will follow the assignment and publish settings that are set up for the Microsoft Sync category. Assignments will now import successfully for both the primary and co-teachers.</p>

4. MINOR ENHANCEMENTS & FIXES

ACADEMIC	
Issue #	Description
	<p>Academic > Assessments The max score for the NY Investigation assessments has been updated to 99 where it was previously 0.</p>
1128916	<p>Academic > Performance > Administrative Reports The following updates have been made to the Student Overall GPA report for the school year dropdown to apply to the courses as follows: -Student previous courses where the “Year Summer School Course was Taken” field is on or before the selected school year. -Student previous courses not fitting the above and whose school year assigned to the student previous course record itself is on or before the selected school year. -Class enrollments taken on or before the selected school year.</p>

	Academic > Performance > Administrative Reports The Student Overall GPA report has been updated so that the chosen school year is now applied to both courses taken as well as courses entered on the previous course screen.
	Academic > Performance > Administrative Reports The Marking Period Grade Details report has been updated to include student Homeroom as a column.
GURU	
Issue #	Description
	GURU > Zaps The Performance Matters Zap has been updated to include new files for Grades, Standards-Based Grades, Daily Attendance, Period Attendance, and Discipline.
INTEROPERABILITY	
Issue #	Description
1120221	Interoperability > BOCES Portal > BOCES Account Management Optimization made for loading applications in different statuses to handle heavy application content with large file attachments.
1114250	Interoperability > BOCES Portal > BOCES Account Management Correction to an issue that was preventing users from making multiple edits to a submitted BOCES Portal application.
PA ONLY	
Issue #	Description
964477	PA Only Student > Attendance When a Daily Present attendance reason is used for an absence, the daily status will no longer display and In/Out time.
	PA Only Teacher Connect > Learning Standards Teachers will no longer be prevented from entering in similar certifications from the Learning Standards interface.
1124211	PA Only State Reporting Updates - Updated for new blank fields #67 through #78 and field #79 (Cambridge Advanced) in the Course template. - Updated for new fields #23 and #24 (Dual Enrollment) in the course Enrollment template. - Updated to remove aggregate suspension and expulsion reporting in the Location Fact template. - Updated to fix reporting of discipline LLE number when more than 1 incident contains LLE number. - Updated to report the correct course instructor when a student enrolls and drops class on the same date.
REGISTRATION	
Issue #	Description
965597, 1023113	NY Only Registration > Online Registration Forms When selecting the suffix type for a guardian record, Concentrator and Participant will no longer be available in the dropdown.

736843	Registration > Online Applications Reviewing applications will no longer cut off multiple choice options when exceeding 20 characters.
REPORTS	
Issue #	Description
1127510	Reports > Enrollment Correction to an issue that was causing student counts to display as NaN when no student records met the field requirements.
	Reports > Enrollment > Administrative Reports > z-OneRoster Lookup Assistant The z-OneRoster Staff with Cross Building Assignment Exceptions report has been added. This report will help identify orphan records which may have been created as the result of staff records/credentials/cross-building assignments connections being lost as records are moved from building to building.
926635	Reports > Enrollment > Enrollment Reports All grades associated to the selected building will be included in the Enrollment by Special Ed Only report.
	Reports > Grade Reporting > Report Cards Correction to an issue with the custom report card template that was displaying duplicate grades. Correction to an issue with the custom report card template that was not respecting the layout option of Landscape.
1129158	Reports > Scheduling > Student Schedules Correction to an issue that was not printing student schedules by Matrix.
	Reports > Grade Reporting > Administrative Reports The Gradebook Assignment Marks report has been updated to include a filter to exclude dropped students from results.
SCHEDULING
