

# ELGIN INDEPENDENT SCHOOL DISTRICT BOND 2024

## A message from Superintendent Rueter

### Dear Elgin Independent School District Community,

The Saturday, May 4 election marks a historic milestone for the Elgin ISD community! With 68% of votes in favor of Proposition A and 60% in favor of Proposition B, Elgin ISD voters have overwhelmingly approved the entire 2024 bond proposal on the May 4 Election Ballot.

I want to thank all of you who voted in this very important election. The success of Proposition A is critically important and will have a positive impact on the lives of students for many years to come. The items included will benefit our entire district as we experience this rapid growth and aim to provide an excellent level of education to every family that calls Elgin their home.

As we begin the process of selling bonds and initiating the bond projects approved by voters, please know that we remain committed to the highest level of transparency to our community and our taxpayers. We will keep the community informed on the progress of this bond program and provide updates on important milestones and events. On our district website, we will track the progress of every

project and allow the community to see where bond funds have been allocated.

I would like to express my heartfelt appreciation to our Bond Planning Committee members for their tireless dedication in researching and presenting this proposal to our Board of Trustees. Additionally, I extend my gratitude to the numerous volunteers who hosted or attended informational meetings and supported the bond effort. Your unwavering commitment to the needs of Elgin ISD has been instrumental in the success of this bond election.

For detailed information about the approved projects, please visit [www.elginisdbond.org](http://www.elginisdbond.org)

The future is bright in Elgin ISD! Again, a special thank you to each of you who cast your vote in this election.

With sincere appreciation,

**Dr. Jana Rueter**
