Dear Parent(s):

At Vaughn Learning Center we believe:

1. That the school and the community can educate each child.
2. That the education of each child is the shared responsibility of the entire school community (parents, teachers, school staff, local businesses, and service organizers).
3. That parents can provide support in the education of their children.
4. That each child can use his/her education as a vehicle toward lifelong learning.
5. That both the school and community can provide role models for effective social and academic excellence.

Your child's success at Vaughn Learning Center depends on your partnership and collaboration with the school and your adherence to the items in this handbook.

1. Your child will attend **195** school days if in grades TK-5th; **246** school days if in Preschool.
2. During the school day, your child will participate in activities/events at any/all Vaughn Learning Center sites.
3. Your child will return to school on the first day following any school break and will not be taken out of school early before a school break.
4. It is important to be a full partner in the education of your son/daughter. In order to strengthen your child's learning, we encourage families to fulfill a minimum of 30 parent involvement hours in one school year.

When parents and teachers work as a team to create a safe learning environment for all students, each child has the greatest opportunity for academic growth. Thank you for partnering with Vaughn Next Century Learning Center. We look forward to an exciting year!

Sincerely,
The Vaughn Next Century Learning Center Staff

LEAVING SCHOOL DURING SCHOOL HOURS

Any parent planning to take their child out of school during school hours must come to the office, show proper identification and sign their child out of school. Parents requesting to take their child out must have their name on the emergency card and show a photo ID. The clerk will call your child's room and will have him/her sent to you in the office. No parent is to go directly to the classroom. A pass will be given to a parent who would need to go onto the campus for any reason. Early release is highly discouraged in the 30 minutes prior to dismissal.

Responsibility for Books/Materials

Vaughn Next Century Learning Center is committed to providing students with a variety of rich resources to assist them in achieving success. To be successful at school, students will need to take textbooks, and materials home.

You can support your child's education by encouraging him/her to take responsibility and good care of the books and/or materials assigned to him/her. If a child loses or damages a book, the parent is responsible for compensating the school for the cost of replacement. Books are very expensive! Therefore, it would save us all time and money if we all practiced responsibility and good care of materials borrowed.

The cooperation of all students and their families will allow our school to continue to offer a wide variety of resources that are accessible to everyone.

Materials/School Property

1. Talk to your child about the proper care of all school materials and school property.
2. Assure that all school materials borrowed by the students are returned in proper condition, and brought to school according to the teacher's instruction.
3. The student's family will be responsible for any damages incurred by the student.

Safety and Well-Being

1. **Do not double-park in front of the school, in the bus lane or in the staff parking lot.** School parking lots are for staff use only. Parking regulations will be enforced.
2. **Be courteous to people who are helping with safety and parking regulations.**
3. Provide accurate names and phone numbers of persons to whom the school can release your child.
4. Any individual picking up a child from school during school hours will be required to show a picture ID and must be listed on the emergency card.
5. **Please use safety drop-off procedures provided by the school. Do not cross streets illegally. Use crosswalks for pedestrian safety. Do not block school or neighbor driveways.**
6. Ensure that your child:
 - Does not bring weapons or any object that can be used as a weapon or that can cause damage at school; this can result in suspension or expulsion, per California Education Code; Sections 48900 and 48915
 - Does not bring drugs, drug paraphernalia, or tobacco; this can also result in suspension or expulsion.
 - Does not buy ice cream, food, candy or any items from any street vendor within 500 meters of the area surrounding the school (per LA Municipal Code, Chapter VIII). In addition to vending being prohibited, there are concerns related to health and to the fact that it places our free meal program in jeopardy. Parents and students who violate this policy directly jeopardize our free meal program school wide. Identified parents who violate this policy will be asked to participate in a parent conference with the Food Service Director and other school administration.
 - Children should only bring healthy snacks in small portions to school (e.g., fruit, vegetables, granola bars, crackers, etc...). For your child's safety, they are not to bring hot drinks to school.
 - Students are encouraged to bring drinking water to school and not bring drinks with a high sugar or salt content.
 - Products such as "Hot Cheetos", or similar food items with high chemical red dye content are banned at school per Vaughn's Local Wellness Policy.
 - Brings sports equipment only with their teacher's permission.

- Do not bring bicycles, skates, skateboards, scooters, toys, cell phones, pagers, headphones, walkmans, iPods, radios, CDs, DVD players etc.; they will be confiscated. Vaughn will not be held responsible for any lost or stolen personal property.
- Does not bring excessive jewelry or jewelry that is a distraction or can be unsafe in school.
- Protect the school's landscape. Help to maintain and keep the school beautiful by depositing garbage appropriately and taking good care of the gardens.

NOTICES SENT HOME

Vaughn Next Century Learning Center School relies upon the children to hand carry some messages home to you. We urge you to stress with your child the necessity of being reliable messengers. It might be helpful if parents would make it a practice to ask each day if a note from the teacher or the school was sent home. It is important for you to be informed about what is happening at the school.

Additionally, Vaughn Next Century Learning Center uses the **Parent Square** online communication platform. It is recommended that you download the application to your cell phone in order to receive the most up to date and timely information.

PARENT VISITS

Parents and legal guardians are encouraged to visit the school. Other community members may visit on official business or field trips. However, all visitors must check in at the front office to receive a "visitor's badge" before entering the school campus and visiting any classroom. **NO VISITORS ARE ALLOWED ON CAMPUS WITHOUT PERMISSION FROM THE OFFICE.** Classroom visits by parents are encouraged to be arranged 24 hours in advance. The school site director has the right to limit the length of the visit in deference to the instructional plan for the classroom visited.

SCHOOL VOLUNTEERS

Adult volunteers for our school are required to complete a volunteer registration packet available from the school's Administration. This information will then be checked by our online screening software against the department of Justice computer database to assure we have no registered sex offenders serving in a volunteer capacity working with our students. Additionally, longer term volunteers will be required to show proof of a negative TB test.

PARENT CONFERENCES

Vaughn Next Century Learning Center School schedules parent conferences which enable the teachers to conference with the parents of each of their students. The conferences afford an opportunity for the teacher and the parent to discuss the progress or specific reason why a child is doing a certain quality of work. Parents have a responsibility to their child to make themselves available for these conferences. This conference time provides you with the opportunity to be a partner in your child's learning. Parents may also make special appointments with their child's teacher at any time during the school year. Contact your child's teacher at 896-7461 to make an appointment.

REPORT CARDS

Report cards are issued three times during the school year for our students. They are sent home or given at fall parent conferences, spring parent conferences and sent home on the last day of school.

GRADE PLACEMENT

When considering promotion or retention, the primary consideration is the student's success at the next grade level. Student achievement will be reviewed and validated by the following:

- Report card grades and progress
- Successfully meeting state grade level standards
- Scores on standardized achievement tests
- Scores on school's benchmark tests
- Intellectual, social, and emotional development.
- Information from teachers and support personnel

LOST AND FOUND

The Lost and Found items are located on each campus outside the office. Please label all clothing with your child's name, especially all outer clothing (sweaters, coats, rain wear, boots, etc.). Please label lunch boxes and any other items brought to school (backpacks, pencil boxes, etc.) If your child has lost something, please have him/her check the **Lost and Found**. Unclaimed items are given to a charitable organization twice each year.

INCLEMENT WEATHER

It is the Governing Board's intent to protect youth during inclement weather. When pollution reaches levels which are judged to be injurious to the student or when the temperature exceeds 95° the administration will limit the amount of outside physical activity.

CLASSROOM RULES

Students must be safe, respectful, and responsible. Students are expected to follow classroom rules and procedures that are provided by their teacher.

GENERAL SCHOOL-WIDE EXPECTATIONS
(BE SAFE, BE RESPECTFUL, BE RESPONSIBLE)

Good behavioral expectations are the foundation of a good school environment and the development of first-class social skills and high-quality citizenship skills. First-rate skills, in turn, lead to higher expectations and success with regard to students’ academic and social-emotional achievement. ESEA sets in place expectations regarding school-wide positive behavior support approaches. The Individuals with Disabilities Education Act (IDEA) and its 2004 reauthorization (IDEIA) set in place expectations regarding school-wide positive behavior support plans. Vaughn Next Century Learning Center (Vaughn NCLC) is an excellent school community which aims at being a model of success. We provide maximum learning opportunities to our students from Kindergarten to Grade 12 to assist them in becoming successful academically, physically, socially, and emotionally.

All members of our school community (students, staff, parents, volunteers) are introduced to and reminded of what desired, ‘nice and kind’ behaviors look like. We define and explicitly describe our behavioral expectations and then help our school community practice, perfect, and reward those behaviors. All adult members of our school community consistently model desired, ‘nice and kind’ behaviors in order to help consistently reinforce these positive behaviors.

STUDENT’S RESPONSIBILITIES (Be Safe, Be Respectful, and Be Responsible):

1. Know and adhere to your classroom as well as school rules and expectations.
2. Demonstrate good attitude and character by being safe, respectful, and responsible to *all* people.
3. Respect yourself, others, and school property.

POSITIVE BEHAVIOR EXPECTATION SUPPORT:

Vaughn NCLC focuses on the correction of student misbehavior through the use of positive means of correction rather than on punitive measures. Our objectives are to reduce disruption of learning and inappropriate conduct by supporting and reinforcing positive behaviors and developing good character traits.

CONSEQUENCES FOR INAPPROPRIATE BEHAVIOR BY STUDENTS:

1. Appropriate consequences as established by the classroom behavior plan.
2. Teacher-to-Parent Contact ~ Teacher will contact parent(s) (telephone, note, e-mail, journal, etc.).
3. If necessary, after in-class positive behavior support policies have been implemented, the teacher will refer the student to an administrator for further consultation (Office Discipline Referral).
4. Parent Conference (Student Success Team, Family Success Team, and/or Parent/Teacher meetings)
5. 5 minute after-school detention occasionally to be used at Teacher’s discretion. If a longer period of detention is needed, parents must be contacted before detention is held.
6. Restitution (“School Beautification” ~ School Clean-up, Community Service, etc.)
7. Time-out from class.

ALTERNATIVES TO SUSPENSION

Vaughn believes that exclusionary practices can lead to deficits in academic achievement and increase the likelihood of dropping out or other negative outcomes. For this reason, Vaughn attempts to employ alternatives to suspension when appropriate in order to support students' behavioral change and maintain or re-engage the student in the school setting. Alternatives to Suspension may include: problem solving and/or contracting, restitution, mini-skills courses, research projects and presentations, parent involvement, counseling, community service, behavior monitoring, behavior plans, and mediation.

SUSPENDABLE AND EXPELLABLE OFFENSES:

Proactive intervention and other positive means of correction will be offered to our students. However, students may be suspended or recommended for expulsion if the student has committed one of the following offenses:

- Caused, attempted to cause, or threatened to cause physical injury to another person.
- Willfully used force or violence upon the person of another, except in self-defense.
- Possessed, sold, or otherwise furnished any firearm, knife, explosive, or other dangerous object.
- Unlawfully possessed, used, sold, or otherwise furnished, or been under the influence of, any controlled substance.
- Unlawfully offered, arranged, or negotiated to sell any controlled substance.
- Committed or attempted to commit robbery or extortion.

- In the first instance, a complaint should normally be brought up verbally with the teacher concerned (whether that be a classroom teacher, Assistant Principal or Principal), so that s/he may have an opportunity to address the issue(s).
- Please observe the school's existing protocols for arranging and conducting such meetings and follow the school's policy with respect to access to members of teaching staff.

- *If the complaint does not relate to a teacher in the school but rather related to office, maintenance or afterschool staff, it should be referred to the Principal.*

II. FORMAL STAGE

Step 2a: Contact the Principal if your complaint is against a member of staff other than the School Director

- If your complaint remains unresolved following Step 1 you should arrange a meeting with the Principal to discuss the issue(s). In advance of this meeting you should inform the Principal in writing, of the nature of your complaint so that s/he may be in a position to resolve the problem without further delay.
- The principal should bring the precise nature of the written complaint to the notice of the teacher or member of staff and seek to resolve the matter between the parties within 10 school days of receipt of the written complaint.
- In some circumstances the Principal may not be able to deal effectively with your complaint immediately and s/he may require some time to investigate and prepare a response. If further time is required you will be informed of the timescale and the likely date by which a response will be issued.
- *If you are unsatisfied with the result of the Principal's decision, you may appeal the decision to Vaughn's CEO. See Step 3a.*

Step 2b: Contact Vaughn's CEO if your complaint is against the school Director

- If your complaint is against the school director and remains unresolved following Step 1 you should write to the CEO. The CEO should bring the precise nature of the written complaint to the notice of the school director and seek to resolve the matter between the parties within 10 school days of receipt of the written complaint.
- In some circumstances the CEO may not be able to deal effectively with your complaint immediately and s/he may require some time to investigate and prepare a response. If further time is required you will be informed of the timescale and the likely date by which a response will be issued.
- *If you are unsatisfied with the result of the director's decision, you may appeal the decision to the Vaughn Board of Trustees. See Step 3b*

III. APPEAL STAGE

Step 3a: Appeals Process-Appeals to CEO

- If you are dissatisfied with the decision of the school director, you may appeal that decision. In order to appeal, you must write to the CEO within 10 school days of receiving written feedback from the director. Your written request should be as concise as possible and set out specifically the grounds for your appeal.
- You will have the opportunity to meet with the CEO where your appeal will be heard
- Within 10 school days of this meeting, you should expect a final written response. This will indicate the CEO's findings, recommendations and the reasons supporting the decision.
- *Once the CEO provides a decision, the decision is final, the Complaints Procedures is exhausted, and the matter is considered closed.*

Step 3b: Appeals Process-Appeals to the Vaughn Board of Trustees

- If you are dissatisfied with the decision of the CEO, you may appeal that decision. In order to appeal, you must write to the Chair of the Vaughn Board of Trustees within 10 school days of receiving written feedback from the CEO. Your written request should be as concise as possible and set out specifically the grounds for your appeal.
- You will have the opportunity to meet with the Vaughn Board of Trustees, where your appeal will be heard
- Within 10 school days of this meeting, you should expect a final written response. This will indicate the Vaughn Board of Trustees' findings, their recommendations and the reasons supporting their decision.
- *Once the Vaughn Board of Trustees provides a decision, the decision is final, the Complaints Procedures is exhausted, and the matter is considered closed.*

IV. RECORDKEEPING: The school shall maintain a record of all correspondence, conversations and meetings concerning your complaint. These records shall be held confidentially in the school and shall be kept apart from pupil records. All such records will be destroyed three years after the date of the last correspondence on the issue.

V. MALICIOUS OR VEXATIOUS COMPLAINTS: Where Vaughn's governing board considers the actions of a parent/group of parents to constitute frivolous or vexatious behavior, it will seek advice from its legal representatives in order to protect staff from any further similar actions.

FEDERAL AND STATE LAWS OF FAMILY EDUCATIONAL RIGHTS AND PRIVACY

The privacy of school records is protected by Federal and State laws which cover nearly every type of pupil record maintained by local schools or school district central offices. Such records might include information about attendance, health, grades, behavior, athletic eligibility, or activities in class. The law prohibits the release of pupil records information without written consent of the parent of the student (18 years or older). Records maintained by any school official exclusively for personal reference or use are not considered pupil records and are not subject to Federal and State privacy laws. Unless otherwise prohibited by law, any natural parent, adopted parent or legal guardian may have access to and review the pupil records of their son/daughter. Also, students who are 18 years or older have the right to access and review his/her record. School employees who have a legitimate educational interest have a right to access pupil record information without the consent of the parent or student. Other individuals or agencies may be authorized to access, review and/or obtain pupil records by court order or by statute.

Directory information is routine information maintained by the school. It is not considered pupil record information and does not require the same level of confidential treatment as pupil record information. Under the law, VNCLC. may identify certain categories of information as directory information and may provide directory information to certain individuals, officials, and organizations identified by the district as those who have legitimate need to know. Parents and/or adult students have the right to limit or deny the release of any portion of directory information. Additionally, parents and/or adult students may deny the release of directory information to any designated recipient.

Any and all of the following items of directory information relating to a pupil may be released to a designated recipient upon request unless a written request is on file to withhold its release.

- Name
- Address
- Telephone
- Date of Birth
- Dates of attendance
- Previous school(s) attended Location of Pupil Records

The following is a list of records and where they are maintained:

- Pupil records pertaining to student health are maintained in the Health Office with the school nurse as immediate custodian.
- Academic progress, counseling, or guidance assistance are maintained in the Counseling Office, with the High School Administrator who oversees the Counseling Office as the immediate custodian.
- Attendance is maintained in the School Office, with the Administrator who oversees as the immediate custodian.
- Athletic records are maintained in the Health Office and with the coaches of each team as immediate custodian.
- Class grades are maintained in each class with each teacher as the immediate custodian.

Pupil Record Information

- The review of any or all pupil records will be during regular school hours and will be arranged at a time mutually convenient to the parent (or student, when applicable) and the school official, i.e. counselor, administrator. When a pupil record of one student includes information concerning other students, the parent or adult student who wishes to inspect and review such material may see only such part as relates to the son/daughter of that parent or to the particular adult student. If the parent or adult student requests

a copy of the whole or any part of a pupil record, the copy will be provided. The school may charge a fee for the copy.

- o For all pupil records, other than grades, a parent (or former student) may challenge the content of such pupil records by filing a written request to remove or correct any record information that is:
 - An unsubstantiated personal conclusion or inference.
 - Inaccurate.
 - A conclusion of inference outside of the observer's area of competence.
 - Not based on the personal observation of a named person with the time and place of the observation noted.
 - Misleading.
 - In violation of privacy or other rights.

With regard to the challenge of grades, in the absence of clerical or mechanical mistakes, fraud, bad faith, or incompetence, the grade given to each pupil in a course by a teacher shall be final.

Challenges to grades must be submitted in writing to the administrator supervising the teacher's department. The review of a grade challenge will be conducted by the administrator.

Records or information maintained by a school official exclusively for personal reference or use and which are not available to any other person, except his or her substitute, are not pupil records available for inspection, review, or challenge by the parent or adult pupil.

Upon written request by a school in which the student seeks or intends to enroll, education records of the student will be forwarded to the school, unless there is a hold on the record.

VISITORS ON CAMPUS

Generally, visitors are not permitted on campus. For an exception to this rule, campus visitors must have the consent and approval of the Director or designee. Permission to visit must be given at the time requested if at all possible or within a reasonable period of time following the request. Students who are not enrolled at the school are not to be on the campus unless prior approval of the Director or designee has been obtained. Visitors may not interfere, disrupt or cause substantial disorder in any classroom or school activity. Visitors are expected to:

- Return the visitor's permit to the point of origin before leaving campus

SUPERVISED AREAS

Students are to be in areas that are supervised at all times and are never to be in classrooms without teacher supervision. Students are not to loiter in hallways before school, during nutrition, during lunch or after school unless the area is supervised.

MEDIA RELEASE

Occasionally, members of the news media may visit schools to cover activities such as sport competitions, school assemblies, special programs and general newsworthy events. The law provides that when members of the news media are lawfully on campus, they may interview, photograph and/or film students. However, the law also provides that a student may decline to speak to the media and may refuse to be interviewed, filmed or photographed. When visits from the news media are prearranged, schools shall make every effort to notify parents in advance and to provide parents with the opportunity to authorize or to withhold permission for media access to their son/daughter.

INTERNET SAFETY

- In compliance with the Child's Internet Protection Act (CIPA), VNCLC implements firewall filtering/blocking software and hardware to restrict access to internet sites containing child pornography, obscene depictions, or other materials harmful to minors under 18 years of age. Although VNCLC takes every precaution to ensure that such materials are not accessed through the computer network, there is still a risk an Internet user may be exposed to a site containing such materials. An account user who incidentally connects to such a site must immediately disconnect from the site and notify a teacher or administrator. If an account user sees another user is accessing inappropriate sites, he or she could notify a teacher or administrator immediately.
- In compliance with CIPA, VNCLC and its representatives monitor all minors' on-line activities, including website browsing, email use, chat rooms or blog participation and other forms of electronic communications. Such a mechanism may lead to discovery that a user has violated or may be violating this Policy, the appropriate disciplinary code or the law. Monitoring is aimed to protect minors from accessing inappropriate material, as well as to help enforce this Policy as determined by the VNCLC Governing Board or other related authority. VNCLC reserves the right to monitor other users' (e.g. employees, students 18 years or older) on-line activities, and to access, review, copy, store or delete any electronic communications or files and disclose them to others as it deems necessary.
- Student information shall not be posted unless it is necessary to receive information for instructional purposes, and only if the student's teacher and parent or guardian has granted permission.

All such materials are the property of VNCLC Account users does not have any right or expectation of privacy regarding such materials.

MARRIED/ PREGNANT/ PARENTING

Married, pregnant and parenting students in the district shall have the same educational opportunities as all students. For school-related purposes, married students under the age or 18 are emancipated minors and have all the rights and privileges of a student who is 18, even if the marriage has been dissolved.

The Governing Board believes that pregnancy and parenting should not be a barrier to education or a reason for dropping out of school. Rather than ending the teenager's need for education, pregnancy and parenting increase the need to cope with adult responsibilities and to prepare for an economically self-sufficient future.

The instructional program provided for pregnant students shall be determined on a case-by-case basis and shall be appropriate to the student's individual needs. The student may continue attending school in the regular classroom setting, may attend a separate program established for pregnant students, or may pursue a home instruction or independent study program. The district shall coordinate transportation and scheduling so that students may attend their regular classes for part of the day and specialized classes for the remainder. When selecting the program to be followed,

the student shall be encouraged to consult with her spouse or parent/guardian, her physician, and appropriate district medical and educational advisors.

Pregnant or lactating students shall qualify for nutrition program supplements as provided under Education Code 49559(b). All applications and eligibility records concerning these supplements shall be confidential. (Education Code 49558)

After the birth of her baby, the student may:

1. Return to regular school program
2. Remain in an alternative program
3. Attend continuation high school or adult education classes
4. Request exemption from attendance because of personal services that must be rendered to a dependent. (Education Code 48410(c))

FIREARM SAFETY NOTIFICATION

The purpose of this notification is to inform and to remind parents and legal guardians of all students at Vaughn Next Century Learning Center of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.

To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are in compliance with California law.

With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.

Note: The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.

With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor never actually accesses the firearm

In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.

Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward. Note: Your county or city may have additional restrictions regarding the safe storage of firearms.
