

## Drop-Off and Pick-Up Maps 2024

Below are the different drop-off and pick-up locations and procedures. Maps have been created to help you know what to do. Parents and approved pick-up adults must have the **Dismissal Family Name Card** placed on their dashboard so it is visible through the windshield. *If you do not have the Dismissal Family Name Card, you must park and walk to the curb to show your ID. We will verify that you are on the approved pick-up list before you pick up.* This creates delays for everyone involved, so please have the Dismissal Family Name Card with you and anyone you designate to pick up your child. For late drop-off and early pick-up procedures, see the last page of this document.
