

# EXPLORATION EXPERIENCE 2024-2025 AFTER SCHOOL

## Expanded Learning

### What?

*A free, after-school opportunity where grades TK-8 students can explore and engage through Science, Technology, Engineering, Art, & Math (STEAM). Physical Education & Homework support will be included as well.*

### Why?

*These experiences help to broaden students' academic skills and knowledge as well as the social and emotional capacity to use their skills and knowledge competently and compassionately in life.*

### When?

*Immediately after each school day with an end time of 5:00 or 6:00 PM, depending on the school site.  
(Minimum/Shortened Days Included)*

### Where?

*Mentone, Franklin, Lugonia  
Mission, Victoria, Highland Grove, Bryn Mawr,  
Crafton, Kingsbury, McKinley, Moore, Cope,  
Clement*

*Click [HERE](#) to apply!*

*(Your child will participate at the school they attend.)*

*~~~~~*  
*\*TK/K students may be eligible for the Boys & Girls club in lieu of this opportunity if they attend AM or Earlybird TK/K class. Additionally, PM or Latebird TK/K students may also have access to before school opportunities through Boys & Girls Club.*
