

7 May 2024

Dear Parents of Primary Students Who Ride OIS Buses:

As you are aware, the construction at Nadderud Stadium necessitates the closure of the road and turning circle in front of the school starting from 13 May. Consequently, we will reroute our school buses to a new drop-off and pick-up location at Nadderudhallen, directly in front of the swimming pool.

For your child's safety, we have established a clear, marked pathway from the new bus drop-off point to the school, including a newly installed crosswalk to ensure safe crossing. We have also set the following procedures:

- In the morning, students from Preschool through Year 3 will be accompanied by a staff member when they walk on the path from the bus drop off to the school playground.
 - Years 4 and older will walk independently.
 - Additional staff members will be on duty at both the bus drop-off point and crosswalk.
- In the afternoons, all bus-riding students in Preschool and Primary will be accompanied by staff members to the bus departure area.
- This week we are organizing an assembly for all bus-riding students to explain the changes and our new routines.

We kindly request your cooperation in keeping us informed daily about your child's use of the bus. **If your child will not be taking the bus on a particular day, please inform their class teacher.** Providing accurate and timely information each morning is crucial for us to manage this transition smoothly and ensure that all students are accounted for at the new drop-off location.

We anticipate that these changes will remain in place through November 2024. We appreciate your understanding and partnership as we navigate this period. Should you have any questions or concerns, please do not hesitate to contact us.

Thank you for your attention to this matter.

Best regards,

Jessica Gabrielsen
Head of Primary School
