The Dual Enrollment Program offers an opportunity for Juniors and Seniors to get a start on college while in high school. Seahawk students with a 3.0 GPA unweighted or higher are encouraged to apply. The MBHS Seahawks expect more from our students such as:

- MBHS schedule placeholder:
 - A maximum number of two HGTC Placeholder blocks will be entered on a student's schedule for up to three dual enrollment courses each semester
 - Students are not permitted to be on MBHS campus during their HGTC placeholder block(s).
- Transportation- must have transportation to and from both MBHS & HGTC
- Maturity – the ability to balance the educational constraints of both educational institutes.
- Thoroughly researched courses of interest prior to enrollment. Students will review both course prerequisites as well as the course description.
- Adherent to the application deadlines May 1 for the fall semester and November 1 for the spring semester (for new students)
- For those students who are interested in earning ENG 101 & ENG 102 credits- it would be beneficial for them to earn a 4th English credit prior to enrolling in ENG 101.

By signing this form, you agree to uphold the standard mentioned above plus the HCS district guidelines.
