### MY SIGNATURE INDICATES THAT I HAVE READ AND UNDERSTAND THE CONDITIONS BELOW

#### APPROVAL OF THE ABOVE REQUEST SHALL BE DEPENDENT UPON THESE CONDITIONS:

1. Space in appropriate course or programs at the non-resident school depends on availability. Students must maintain passing grades in all classes (at quarters, semesters and trimesters) in order to continue the waiver.
2. It is important that students arrive at school at the designated starting time and attend school regularly. Excessive tardies and/or absences will result in discontinuation of this waiver.
3. Students are required to obey all school rules. Repeated and/or serious discipline problems will result in discontinuation of this waiver.
4. Students who reside within the Orting School District will be given priority for placement in special programs. In the event there is a waiting list for placement in such a program, students living outside the district will not be placed until all students who reside within the district have been placed.
5. As per Washington Interscholastic Activities Association rules, students are not eligible for varsity competition at the high school level unless a hardship exists and subsequent appeal is granted, or unless the student has attended an Orting School District school for at least one calendar year.
6. Transportation for students residing outside the Orting School District is the responsibility of the parents.
7. The Orting School District reserves the right to revoke this waiver at any time through the school year if the student does not adhere to these conditions. If it becomes necessary to change the placement of the student, this agreement shall become null and void.
8. Nonresident placement is for a maximum of one school year only. Applicants must reapply each school year.
