Agreement

*I understand this application **does not guarantee acceptance** into the program. I also agree that if accepted into the program that this will deviate my High School and Beyond Plan from Academic to Technical pathway. I understand that if I have OHS graduation requirements outstanding, and begin a PCSC program as a junior, I may not be able to attend PCSC senior year. I also understand that if my attendance or grades drop at OHS I may be required to return full-time to OHS.*
