

The Mission of North High School is to provide all students with the knowledge and skills necessary to excel in college, career, military and life.

North High School News 5/1/24

End of the final semester is upon us. Interim report cards are being mailed home. Beginning this summer and beyond, summer school and credit recovery courses will no longer be free. There will be a fee of \$50 for each semester credit earned. It is so important to pass classes each marking period to stay on-track for graduation. Please feel free to reach out to your student's counselor or principal if you would like to meet regarding academics. We are offering **tutoring** at lunch and after school. We can set this up for you. Remember, 9th grade students will not be promoted to 10th grade unless they have earned at least 4 credits with 2 of them being in core subject areas. **See the exam schedule below.**

Summer School - Students who have failed semester courses that are needed for graduation may need to take summer school to get on-track for graduation. Counselors have been meeting with students to provide them with information. If your child has a failing semester grade, please don't hesitate to contact their counselor.

Senior Graduation is rapidly approaching. We have intentionally tried to set up meetings with families to make sure that your child is on the right track to graduate. Please don't hesitate to contact your child's counselor or academy principal if you have any questions. We want every student to earn their diploma. Please check your students' grades often as we approach the end of the school year.

Senior Exams will be held on May 17 and 20. It is important that seniors are here for their exams so they may pass their classes for graduation.

Graduation will be held at the Akron Civic Theater on May 28, 2024 at 7 PM. Tickets must be used to attend graduation. Details of all senior events and activities have been shared with seniors in their school email. Only graduating seniors may purchase tickets. Contact North High School if you have questions.

1:45 – 3:15	BLOCK 4- <i>B Day</i>	BLOCK 4- <i>A Day</i>	Make-Up Exams (Block 4 - B DAY- for students who are remaining at the building until 3:15)

Chromebooks: Students must have a fully charged Chromebook for each exam period.

Students are only required to attend the class periods in which they have an exam scheduled. They may only leave school premises when all of their exams are completed for the day. They cannot leave mid-class; they are required to remain until the end of the block. They are not permitted to return to school property once they leave the building. Students who ride APS school transportation to school are to remain at school for the entire school day unless other transportation arrangements are made. The students are to follow the entire exam schedule.

Remember, students are not allowed to come for an exam, leave the building, and then return later for the next exam. If a student has multiple exams on one day, then the student is to remain at the building until all of the exams have been completed and follow the exam schedule for that day. All students must take exams. Students that are exempt from exams will receive a letter to share with their parents/guardians.

A student absent during an exam will NOT be able to make up exams without the approval of the student's academy principal. Once approval is granted, the student must schedule a makeup time with the teacher. Parents, we will not disrupt an exam to get a student from a classroom. Students who remain at the building for the entire day are to follow the exam schedule for each day. All exams will be completed by 11:10 Thursday unless a make-up exam is scheduled.

Final Exam Exemption Requirements may be found on our North High School website.
