- ***Pre-approval is required*** for classes by the counselor and administrator of the student to be accepted for credit. And the district will pay a pre-approved amount for the course. This is done through the student's counselor.
- Bloomfield Hills Schools will register students for all approved courses during the school day.
- Grades earned in an approved online course will count toward the student's GPA.
- Approved virtual courses during the school day cannot be used for grade replacement or credit recovery.
- Not all course providers, even of approved courses, are NCAA-approved; ***it is the student's responsibility to verify if the course is NCAA-approved before registration.***

BHHS Requirements of Students
