

Español con Señora Curiel

Hi, my name is Señora Curiel and I am the Spanish teacher for grades 2nd, 3rd, 4th and 5th at Berkley and Gibbs Elementary Schools. I am very excited to be teaching your children the wonderful language of Spanish this year!

Learning Spanish is a fun and exciting journey. I am thrilled to lead my students on this wonderful journey. Spanish is more than just a language; it is a representative of an abundance of cultures. Whether you are vacationing through Latin or South America, living in Europe, taking a trip to the grocery store or in NYC, you will come across the Spanish language.

This class will be fun and interesting; we will be learning the language through songs, games, cultural celebrations, technology, dialogues and much more!

Please feel free to contact me at any time at:
lcuriel@newmilfordschools.com

I am looking forward to a fun and successful school year.

Vamonos!
