

Central Islip School District

Grades 9 - 12

We must not forget how connected reading is to our lives. Every day we encounter situations or circumstances that require us to read. It helps develop our mind, prepare us for future jobs, and fundamental to our basic needs.

If you're looking for a great book or novel, here are some books everyone should read in their lifetime! Enjoy!

The English Department invites students to select a book from the list provided. We believe that summer provides a wonderful opportunity to bridge the knowledge and skills that you learned this year with the language arts content you will encounter next year.
