Bullhead City, AZ – Pending Governing Board approval, Mrs. Kathleen Giannamore will be the new Principal at Mohave High School.

As an area local, Mrs. Giannamore graduated from River Valley High School, she has been a coach at the college level, she taught mathematics, served as a counselor, Assistant Principal, and she coached River Valley's softball team to a state championship title, she also holds two Master's Degrees; one in Curriculum & Instruction and one in Educational Leadership.

Mrs. Giannamore's Remarks:

"I am excited and honored to have the opportunity to lead the students and staff at Mohave High School. I have been a teacher, counselor and assistant principal to the current students of Mohave, they have become family to me and I am excited to guide them as their next Principal. This staff has shown resilience and dedication to our student's success and I look forward to continuing the progress we have made as we strive to become an A rated school."

Superintendent Remarks:

"The teachers at Mohave High School who are truly dedicated to Achievement for All and putting kids first support Mrs. Giannamore and the students know that she cares about them. With the exception of Mr. Wilcox at RVHS, Mrs. Giannamore is our most experienced school site administrator. For the past few years she has been training and supporting aspiring leaders at Mohave High School and she has played a lead role in improving the school culture. It is now time for her to take the next step in her school leadership journey. Whether it is "Educator of the year" or a state championship ring, she likes to win. With Mrs Giannamore at the helm, Mohave High School will continue to win in Academics, the Arts, and Athletics." -Dr. Tim Richard
