## Student Programs

### Merced Scholars Dual Language Immersion

DLI held their first parent workshop about the benefits of bilingualism in March. There was a good turnout of parents. The school participated in the Merced County Library March Read-a-Thon. The library provided students with an In-N-Out voucher for every 5 books read. Some students earned as much as 6 vouchers! Parents, staff and teachers coordinated a schoolwide Egg Hunt. Bonnie the Bunny made a surprise visit, making the event more special for the kids.

## College Admissions

The Atwater Education Center took students to visit the Merced College Blue Devil's Day. Students have been receiving college acceptance letters. So far, we have students accepted to UC Berkeley, UC Merced, CSU Stanislaus, and CSU Fresno.

## Job and Resource Fair

Los Banos Valley held its first post-COVID Job and Resource Fair on April 12th. This event was open to our students and the community. There were 21 exhibitors and 59 participants. We look forward to continuing and growing the success of this event in the future.
