

# TAFT APRIL NEWSLETTER

A lot of exciting fun things happened in the month of April at Taft. We started off with our 6th graders going to Outdoor Ed. They had an amazing time Ziplining, Rock Climbing, Eco Hike, Night Hike, Bonfire and other amazing activities. Our kiddos were so excited for our Chuck E Cheese fundraiser. They had a lot of fun seeing their friends, eating pizza and playing all the fun games. Thank you to all the families that showed up for Open House. We were happy to see the kids showing their parents all of the amazing work they have done. A BIG congratulations to all of our Taft Tigers that participated in the Carnival of Champions at Fred Kelly Stadium. You guys did an amazing job!
