LWSD Guidelines for Administration of Rescue Seizure Medication <ul style="list-style-type: none"> • 911 is always called if a seizure rescue medication is administered. • LWSD schools do not staff a nurse on site during all school hours. In the event a nurse is not on site the medication may be administered by a non-licensed staff member who has received appropriate training and delegation from the registered nurse. If no trained staff member is on site and/or able to administer the medication, the school will call 911 and request a paramedic. Response times vary depending on location. 	

I request and authorize that the above-named student be administered the above-named medication in accordance with the instructions indicated. There exists a valid health reason which makes administration of the medication advisable during school hours or during such time that the student is under the supervision of school officials. Medication may be administered by non-licensed school personnel.
