

## RELATIONS WITH COMMUNITY ORGANIZATIONS

The Schools may cooperate in furthering the work of any nonprofit community wide social service agency, or in promoting specific projects of community associations when these projects serve the welfare of the community, provided that such cooperation does not restrict or impair the educational program of the schools.

Any relationship with the School will be through the building principal.  
Relationships with more than one school will be through the Superintendent.

Adopted: January 24, 1994

Revised: May 28, 2002
