

STAFF CONDUCT

The School Committee expects the district employees to faithfully comply with the policies of the Committee and the directions of the Superintendent as a necessary condition of employment.

Employees will be given access to the policies and regulations of the school district, as provided [elsewhere in Committee policy](#), so that they will know their responsibilities and carry them out.

Specific duties and requirements will be those identified throughout the district policies, in written job descriptions, and in implementing directives of the Superintendent and each employee's supervisor.

Cooperation with other employees in the performance of each one's duties is expected of all.
