Issue 13 – 10 May 2024

Y11 – Y12 – PwC Virtual Insight Programme – 29-31 July

Join this three-day experience designed to give you an insight into PwC: their lines of service (Audit, Consulting, Tax, Technology and Operate), their culture, the work they do and how you could join them as a school leaver. You'll have the opportunity to engage with PwC employees and ask questions so that you can make informed decisions about your next steps. They will also provide application insight and guidance too, equipping you with the skills you need to thrive in the workplace. PwC offer some incredible post 18 and graduate level roles and taking part in one of these programmes can significantly increase your chance of gaining a position.

Further information, including full eligibility criteria and application link can be found in the [job description here](#). The deadline to apply is 24 May 2024.

Y10 – Y13 – Springpod Virtual Work Experience Programmes

Springpod are offering a great selection of free Virtual Work Experience programmes from some leading employers like Airbus, Barclays, Siemens, Met Office and in industries like law, engineering, medicine, computer science.

These short courses take around 6-8 hours to complete and include video content and activities for you to work through. Upon completion you will receive a certificate to reference on your CV and/or Personal Statement. Sign up here - [Gain Virtual Work Experience. Earn certificates - 100% free! | Springpod](#)
